Von Carola Dunn : Dead in the Water (A Daisy Dalrymple Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead in the Water (A Daisy Dalrymple Mystery):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. top notch mystery with period flavor and good red herringsVon Ein KundeI found plenty of charm and action in this "between the wars" murder mystery. With a twist on the country house party,Carola Dunn puts her slueth, the honourable Daisy Dalrymple, journalist, under the same roof as 9 sporting young men, all members of the same

college crew, ranging from the working class cox to the young lordling, whom everyone seems to have reason to dislike. But when the latter is found with his head bashed in, the most likely suspect seems the former. Scotland Yard, in the form of Daisy's detective fiance is called in, and they soon discovers plenty of other suspects to muddy the waters. The period details add to the well-plotted mystery, and Daisy is as delightful as usual. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Farbig Von Fuchs Joan Nicht so gut wie ihre anderen Bcher, da der Spachfluss etwas stockt, aber dennoch eine sehr gute Unterhaltung mit vielen Wendungen, spannenden Ereignissen. Gut recherchiert wie immer und die Charaktere sind bunt gezeichnet. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Charming Von SH This is a really charming book. I don't know how much research the author has put into her work but she describes the society and the situations of the era in a way that makes you think it could have happened exactly like this. Some crime thrillers make you feel depressed and sad. Carola Dunn's stories make you smile. Nice, relaxing entertainment. I've read several books of the Daisy series now and enjoyed them all. I'll definitely go on collecting them.

Kurzbeschreibung May the best man die! July, 1923, and Daisy has been invited by an American magazine to cover the Henley Regatta. But unknown to her, she steps right into a class war between two members of the Oxford rowing team. Cox Horace Bott - a shopkeeper's son and scholar student - has always hated rower Basil DeLancy - younger son of an earl and all-round cad and bully. And after a particularly brutal public humiliation by DeLancy, Bott swears revenge - so when DeLancy keels over and dies mid-race, it would seem he's made good on his promise. Yet Daisy isn't convinced, and with the help of her fianc Detective Inspector Alec Fletcher of Scotland Yard, she dives into a tangled web of jealousies and secrets, where appearances are everything and good breeding may just be a cover for a killer intent on keeping Daisy mum forever... Praise for the Daisy Dalrymple series: 'Cunning... appropriate historical detail and witty dialogue are the finishing touches on this engaging 1920s period piece.' Publishers Weekly 'As always, Dunn evokes the life and times of 1920s England while providing a plot that is a cut above the average British cosy. This will delight readers who love country-house mysteries.' Booklist 'A dauntless Daisy and good-natured fun.' Kirkus s 'For fans of Dorothy L. Sayers' novels' Library Journal Pressestimmen "Plenty of period charm, flashes of wit, and just a whisper of romance to keep the reader entertained... A wonderful cosy treat!" -The Poisoned Pen "Werbetext The sixth in the Daisy Dalrymple mystery series
