Von Stella Rimington : Dead Line (Liz Carlyle) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Line (Liz Carlyle):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Dead LineVon MichaelA good read. Interesting because it describes Syria and the Middle East before the Arab Spring and, of course, the machinations of the various vying intelligence agencies.1 von 1 Kunden fanden die folgende Rezension hilfreich. Spannend ohne reisserisch zu seinVon Jack MetcalfeIm Gegensatz zu einigen Rezensenten fand ich die

Fakten und die Handlung stimmig und mir hat gefallen, dass die Story nicht zu reisserisch -a la Bond-Filme- sondern eher fundiert und nachvollziehbar gehalten ist. Empfehlung, wer sich für Spionage ("intelligence") allgemein oder das Genre interessiert. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Old Friends Von Derek Easterby Having read several books by this author, the characters are continuously in action in each book. So one knows what to expect a straight forward factual MI5/MI6 spy story. No fancy Bond stuff and very enjoyable.

Kurzbeschreibung MI5 Intelligence Officer Liz Carlyle is summoned to a meeting with her boss Charles Wetherby, head of the Service's Counter-Espionage Branch. His counterpart over at MI6 has received alarming intelligence from a high-placed Syrian source. A Middle East peace conference is planned to take place at Gleneagles in Scotland and several heads of state will attend. The Syrians have learned that two individuals are mounting an operation to disrupt the peace conference in a way designed to be spectacular, laying the blame at Syria's door. The source claims that Syrian Intelligence will act against the pair, presumably by killing them. No one knows who they are or what they are planning to do. Are they working together? Who is controlling them? Or is the whole story a carefully laid trail of misinformation? It is Liz's job to find out. But, as she discovers, the threat is far greater than she or anyone else could have imagined. The future of the whole of the Middle East is at stake... Pressestimmen Undeniably pacy - Guardian. A wealth of persuasive detail, obviously drawn from first hand experience - Marie Claire. A tense terrifying read we couldn't put down - Cosmopolitan. A beguiling and successful debut - Evening Standard. Pressestimmen Undeniably pacy - Guardian. A tense terrifying read we couldn't put down - Cosmopolitan. A wealth of persuasive detail, obviously drawn from first hand experience - Marie Claire. This is something rare: the spy novel that prizes authenticity over fabrication, that is true to the character and spirit of intelligence work - Mail on Sunday. The details of how MI5 conducts its business are fascinating... Stella establishes a cracking pace and keeps you guessing right up until the end' Sunday Express.
