Leistung passt gar nicht Von Evani Der Aufbau und der Inhalt sind gut. Allerdings kann man nicht wirklich von einem Buch sprechen, eher von einem Heft. In einer guten Stunde ist man mit dem lesen durch. Fr 9 einfach viel zu teuer. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gute Lernhilfe! Von JK Die Geschichte ist sehr verständlich geschrieben. Unsere Tochter (12) hat den Text verstanden, ohne ein Wörterbuch aufschlagen zu müssen. Die Geschichte ist spannend und gut illustriert. Unsere Tochter war überrascht, dass sie so gut zurechtkam. Wir werden die Oxford-Bookworms-Reihe weiter ergänzend nutzen. 2 von 3 Kunden fanden die folgende Rezension hilfreich. My students' recommendations Von Hannah I read Dead Mans Island with my class (end of 6th grade/beginning of 7th grade) and this is what my students think: I liked the book because it's a good story and the Activity pages have good questions. The book is interesting and it has 56 pages, but 42 pages are the story of the book. But I don't like the beginning of the book because Carol took drugs, because she has a psychological drama. I like the book, because it's a good story, but it's too expensive and too short. I would recommend it to other people anyway. It was a good book, with 56 pages and it was very interesting. It was easy to understand. It was a little bit too expensive. It's about a girl her name was Carol Sanders and she lived for 7 years in Hong Kong. Then she lived in England but why? In this night she learns what is behind the locked door. Stars: 5 I like it because it's interesting and easy to read. The book has lots of nice pictures. But one day she and her mother went to an island for a job and Carol learns the big, big, secret of the employer of her mum. It costs 8,25, not really expensive. It is easy to read and you can understand it well and quickly. The number of pages is 56, not very long. It is a good book for students who learn English and like to read books.
