Von Mike Carey : Dead Men's Boots: A Felix Castor Novel, vol 3 before purchasing it in order to gage whether or

not it would be worth my time, and all praised Dead Men's Boots: A Felix Castor Novel, vol 3:

Kurzbeschreibung Before he died, Castor's fellow exorcist John Gittings made several calls asking for help and if Castor had answered them, John might still be alive. So when a smooth-talking lawyer comes out of nowhere to claim the remains, Castor owes it to John's unhappy ghost and even more unhappy widow to help out. If only life were that simple. A brutal murder in King's Cross bears all the hallmarks of an American serial killer supposedly forty years dead, and it takes more good sense than Castor possesses not to get involved. He's also fighting a legal battle over the body - if not the soul - of his possessed friend, Rafi, and can't shake the feeling that his three problems are related. With the help of the succubus Juliet, paranoid zombie data-fence Nicky Heath and a little judicious digging, Castor just might have a chance of fitting the pieces together before someone drops him down a lift shaft or rips his throat out. Or not. . . Pressestimmen "Every bit as good as Jim Butcher, Carey hits his stride." Publishers Weekly (starred review) "Witty, sardonic . . . irresistible . . . leaves the readers breathless." Kirkus (starred review) "The Felix Castor novels are splashed with color and texture, their characters are larger than life (or death), and the stories are, well . . . out of this world. Castor is a remarkably believable character... A wholly engaging blend of the detective and fantasy genres." Booklist "Fast-paced . . . riveting . . . everything a paranormal thriller fan could want." MonstersandCritics.com "The Devil You Know is a spectacular novel, one of the best supernatural thrillers I've read in years." Douglas Preston, New York Times bestselling author of The Book of the Dead on The Devil You Know "[A] deftly crafted, can't-turn-the-page-fast-enough read." Kirkus (starred review) on Vicious Circle "Felix offers a darkly droll take on the circumstances of his world, which is just as familiar, intricate, and morally tangled as our own." Entertainment Weekly on Vicious Circle "A treat . . . Castor follows up his excellent debut with this even better sequel . . . Genre-bending at its best." Booklist (starred review) on Vicious Circle "Engrossing . . . perfect . . . an ingeniously multilayered tale." Publishers Weekly (starred review) on The Devil You Know "An imaginative spin on the hard-boiled detective . . . mixes horror and humor in a way that spells good omens for future Castor novels."
