Von Edie Ramer : Dead People (Haunted Hearts Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead People (Haunted Hearts Series Book 1) (English Edition):

Fun read, fabulous charactersVon KH BrownAs other reviewers have noted, Ms. Ramer has managed to create a book that blends mystery, romance, danger, paranormal elements, and well-drawn characters. Cassie Taylor is a ghost whisperer with plenty of attitude; Luke is a brooding musician with a troubled soul. But his isn't the only troubled soul in the house he's hoping to turn into a home for his daughter. Cassie certainly has her hands full sorting through the suspects

while dealing with her budding attraction for the enigmatic Luke. Ms. Ramer has done a great job of putting together an enjoyable read, a clever mystery, a wonderful romance, and characters who will tug at your heartstrings. Kudos!

somewhere new. Dead People has it all. Ghosts, cops (and dead to boot), a feisty heroine, a lost child and so much
more. Mystery, romance and a twist. Love it. Ramer has done a great job. I read Cattitude and loved it, now Dead
People. She gets thumbs up both times.

Dead People has it! Evie, Paromantasy "The story is entertaining, eye-widening, edge-your-seat thrilling and belly-

they can leave earth. Brooding songwriter Luke Rivers wants to give his recently found daughter a normal home, but
he discovers his new house in small town Wisconsin is haunted by a ghost with an attitude. Cassie has an attitude too
even before someone tries to kill her. He wants conventional; she wants acceptance. No wonder she thinks men are
hard and dead people are easy. Kurzbeschreibung Its not easy to find a book that has it all: Love, Danger, Mystery,
