Kurzbeschreibung Bryn Halbrook had always seen the glow on the people around her. And she knows all too well what psychiatrists do to people who claim impossible powers. She's always stayed below the radar, but when she discovers the meaning of the beautiful auras, she's not sure why she was cursed with the ability to see the soon-to-be-dead and be unable to do anything about it. But Bryn is on the brink of the unbelievable truth - she is a creature from myth.

Valkyrie- a warrior maiden of the God Odin. And a Collector of Souls. Aidan Lee just can't do what he's told. Visiting Craven was not supposed to be a time to fall in love. He's just helpless when faced with the beautiful Brynhildr, but there is more to the biker dude that either Bryn or Aidan himself knows. Can their fledgling love survive the secrets and intrigue, the reality of Odin's realm of Asgard, the pressures of being a warrior of the gods, But Bryn lucks out when the Trickster god Loki sets his sights on her. Can Bryn hold her own against the charmingly manipulative god long enough to discover what Loki is really planning? Dead Radiance is a fantasy filled with passion and intrigue, betrayal and broken hearts, that will keep you turning the page. Poetry was my first foray into the art of the written word. Books were my best friends, my escape, my haven. I am essentially a recluse but this part of my personality is impossible to practise given I have two teenage daughters, who are actually my friends, my tea-makers, my confidantes I am blessed with a husband who has left me for golf. It's a fair trade as I have left him for writing. We are both passionate supporters of each other's loves it works wonderfully My heart is currently broken in two. One half resides in South Africa where my old roots still remain, and my heart still longs for the endless beaches and the smell of moist soil after a summer downpour. My love for Ma Afrika will never fade. The other half of me has been transplanted to the Land of the Long White Cloud. The land of the Taniwha, beautiful Maraes, and volcanoes. The land of green, pure beauty that truly inspires. And because I am so torn between these two lands I shall forever remain crosseyed.
