Von Peter Robinson : Dead Right (Inspector Banks Book 9) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Right (Inspector Banks Book 9) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Gute Story, gut erzhtVon Krimi-FanIn einem kleinen Ort im beschaulichen Yorkshire wird ein junger Mann brutal zu Tode getreten. Bei den Ermittlungen stt Inspector Banks auf eine Neonazi-Organisation und auf Drogengelder und muss

wieder einmal erkennen, dass die Trennlinie zwischen Sein und Schein oft uerst schwammig ist. - Wie bei vielen Krimis der Inspector-Banks-Serie kommt es auch hier weniger auf das "Who's done it"-Element an, also darauf, wer den Mord begangen hat. Was zahlt, sind die glaubwrdigen Charaktere mit ihren (privaten) Problemen und die minutise Beschreibung der Polizeiarbeit. Banks wchst einem sofort ans Herz, weil Robinson das Talent hat, seinen Protagonisten als Menschen aus Fleisch und Blut zu beschreiben. Guter Lesestoff.2 von 2 Kunden fanden die folgende Rezension hilfreich. Fast paced and intelligentVon Ein KundeI had never read any of Peter Robinson's previous books and didn't really know what to expect. Well there were really 'No worries'. The book moves crisply filling in the gaps of the story in a intelligent way and creating a interesting read. I really enjoyed the character of 'Inspector Alan Banks' a complex and enjoyble creation. Plus he's a very good detective...2 von 2 Kunden fanden die folgende Rezension hilfreich. This is a series that keeps getting betterVon Ein KundeRobinson has really let his characters loose in Blood At the Root. At every turn, he and Susan Gay find themselves questioning themselves, their relationships and their professions. The story is topical and really interesting, but I was a little frustrated by some of the digressions. This is a great series

KurzbeschreibungDead Right is the ninth novel in Peter Robinson's Inspector Banks series, following on from Innocent Graves.The broken body of Jason Fox has been found in a dirty alleyway. At first it looks like a typical after-hours pub fight gone wrong. But Inspector Alan Banks soon realizes that the truth is rarely so straightforward . . . Jason was a member of the Albion League, a white power organization. And there are many people who might have wished him dead: the Pakistani youths he had insulted in the pub that evening; the shady friends of his business partner; or someone within the Albion League itself. And just as Banks begins to get a grip on the case, an unexpected discovery forces him to reconsider everything he believes . . .deThere's a deliberate lack of excessive angst and glamour in Peter Robinson's books about Inspector Alan Banks and his fellow Yorkshire coppers, so first-time readers might think them bland. But under the books' placid surfaces, whole worlds of crime and justice are being worked out. In this ninth book in his increasingly popular series, Robinson gives Banks some serious problems of a personal and professional nature: a neglected wife and a ruthlessly ambitious superior. He also drops Banks into a frighteningly realistic neo-Nazi group called the Albion League, whose activities include drug dealing and murder. Other books in the series available in paperback include Innocent Graves, Final Account, Gallow's View, and Hanging Valley..comThere's a deliberate lack of excessive angst and glamour in Peter Robinson's books about Inspector Alan Banks and his fellow Yorkshire coppers, so first-time readers might think them bland.
