Von Erica Spindler : Dead Run before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Run:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht verpassen...Von Marina G.Liz Ames erhlt kurz vor dem Verschwinden ihrer Schwester eine seltsame Nachricht von ihr. Als die Polizei die Suche aufgibt, versuchen Liz und der Ex-Cop Rick Wells, der auf Key West eine Bar betreibt,

den Aufenthaltsort von Rachel herauszufinden. Die Suche bleibt erfolglos. Stattdessen entdecken Liz und Rick etwas Entsetzliches: Rachel Howard, Pfarrerin von "Paradise Christian Church", der örtlichen Kirche, war dabei den dsteren Satanskult "Gehnte Blume" aufzudecken. Die Mitglieder dieses Kults begehen Ritualmorde an Jugendlichen. Wenig später finden Rick und Liz die Leiche eines jungen, schwangeren Mädchens und der angesehenen Bankdirektor Larry Bernhardt hat Selbstmord begangen. Ob da ein Zusammenhang besteht? Während ihren Recherchen kommen sich Liz und Rick immer näher und verbringen eine heiße Nacht miteinander. Hat ihre Liebe eine Zukunft? Desto tiefer Rick und Liz nachforschen, desto tiefer geraten sie in den Teufelskreis der Satanistengruppe. Ein gewohntes Erica Spindler Leseerlebnis, der Roman ist spannend bis zur letzten Seite und birgt einige dsteren Geheimnisse. Absolut lesenswert! Natürlich kommt die Liebesbeziehung zwischen Liz und Rick auch nicht zu kurz.

Kurzbeschreibung "I'm in trouble, Liz. I've uncovered something. They're watching." That panicked message on her answering machine is the last time Liz Ames hears from her sister Rachel, pastor of Paradise Christian Church in Key West, Florida. Compelled to uncover the truth about her sister's disappearance, she heads to Key West. Within hours of her arrival a successful banker jumps to his death. Then a teenage girl whom Rachel was counseling is found brutally murdered. The ritualistic style of the killing is hauntingly similar to that used by the notorious "New Testament" serial killer now on death row. Could the teen's murder be related to Rachel's disappearance? Is a copycat killer at work? And why do the police refuse to help? For answers, Liz turns to Rick Wells, a former Miami cop who worked the fringes of the "New Testament" investigation. Together they peel away layers of deception to reveal a terrifying adversary and the unspeakable evil at the heart of this island paradise. From Publishers Weekly Troubled teenagers, a satanic cult, a serial killer and hurricane-force evil disturb the island paradise of Key West in Spindler's latest chiller. Divorced family counselor Liz Ames relocates from St. Louis to Key West to investigate the disappearance of her sister, Pastor Rachel Howard, who left Liz a mysterious phone message about a teenaged girl, illegal activities and threats to her life. Local police chief Val Lopez does not share Liz's certainty that her sister has fallen victim to foul play, nor is hers the only island mystery confronting police: a wealthy loan officer with deviant tastes has plummeted to his death, a suspected suicide; another bank employee is reported missing before her body washes ashore, a suspected homicide; and just as Liz gets to know her, a teenage girl is brutally murdered and mutilated, her runaway boyfriend the prime suspect. Liz seeks help from Rick Wells, Miami cop-turned-bar owner and close friend of the police chief; Rachel's successor, Pastor Tim; and Heather Ferguson, the blonde bombshell owner of a bikini boutique. Not knowing which locals she can trust, Liz (who's not entirely honest herself) heads into the eye of a hurricane and a classic confrontation between good and evil. Spindler (Bone Cold; All Fall Down) demonstrates the power of faith over satanic forces with campy descriptions of both and embellishes her by-the-numbers thriller with savvy amounts of sex and moral outrage, investigation and confrontation, psychology and romance. Copyright 2002 Cahners Business Information, Inc. Pressestimmen "I can put Spindler on my growing list of favourite crime-fiction authors.' (Evening Standard) 'Pulse-pounding, page-turning, absolutely can't put it down.' (Lisa Gardner) '[Erica Spindler is] a master of suspense.' (Ulster Tatler)"
