**Von J. A. Jance : Dead to Rights (Joanna Brady Mysteries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead to Rights (Joanna Brady Mysteries):

and have ordered several more. Most of the action in this book takes place in the Bisbee area of the county and seems to be very correct. The High Lonesome Road is a graded dirt road but I'm having a challenge finding the Rob Roy Golf Club as it sounds like it might rival Baxter's as the best place to dine in the county. I particularly like the key players and their inter-relations. Joanna is obviously a good manager who has either hired or retained good subordinates to ensure that she has the time to learn the trade her husband and father knew so well. However, if we had 2 murders, an assault, arson fires and a jail house suicide in any 24-hour period the incumbent Sheriff would be run out of town on a rail and the FBI would send in a task force of agents to investigate. Good job otherwise. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good book-but missing pages cause problems Von Jacque Bickel - bickels@lcc.net I have the three books prior to Dead to Rights and have enjoyed all of them. Unfortunately-the copy of Dead to Rights that I purchased had missing pages and duplicate pages. While I enjoyed the book, this caused problems in keeping up with the story line. How do I go about getting a replacement copy for this book. I am looking forward to getting the 5th book in the series-Skeletal Canyon. When will it be out in paperback. 0 von 0 Kunden fanden die folgende Rezension hilfreich. First book in this series and definitely not the last! Von Pam from Ohio This is the first book I have read by J. A. Jance and I thoroughly enjoyed it. Now I have to go see if I can find the first three before I go on to Skeleton Canyon. I was stumped until almost the very end on who the killer was -- that makes for a good read! Try J. A. Jance. You'll like her.

**Kurzbeschreibung** A woman is cruelly cut down in a remote corner of Arizona, killed on her nineteenth wedding anniversary by a drunk motorist. A year later, the driver himself dies badly, and all suspicions point to the slain woman's still-grieving husband as his murderer. But the truth is rarely black and white in the long Southwestern shadows, and one law officer is not rushing to condemn the tragic widower so quickly: Joanna Brady, Sheriff of Cochise County. Brady's convictions, however, are leading her on a twisted trail through inhospitable country and setting her on a path that will bring her face-to-face with cold, calculating death in the high, lonely desert. **.de** The best thing about Jance's books is Joanna Brady who became an Arizona county sheriff after her father and husband died on the job. Jance can move Brady from an exciting, dangerous scene on one page to a sensitive, touching personal moment on the next. In her latest outing, Brady is looking into two major crimes. But that doesn't stop her from giving a terrific speech about why selling Girl Scout cookies gave her confidence, or worrying about a friend trying to adopt a child in China, or even finally beginning to understand what makes her annoying mother tick. Earlier books in the Brady series: Desert Heat, Tombstone Courage, Shoot, Don't Shoot. Jance also authors the popular J.P. Beaumont series, which includes Dismissed With Prejudice, Failure to Appear, Lying in Wait, Name Withheld, Without Due Process. **.com** The best thing about Jance's books is Joanna Brady who became an Arizona county sheriff after her father and husband died on the job.
