Kurzbeschreibung Thirty-something, down-on-her-luck accountant Max Starr has the unfortunate gift of being psychic, a newly-discovered wrinkle in her already messed-up life. Her husband, Cameron, is dead, killed in a botched 7-11 robbery two years ago. Shes cut herself off from friends, moved out of her San Francisco home in favor of a studio apartment, and dumped her flourishing career as a CPA to do temp work. And now Max has developed an annoying penchant for attracting the spirits of murdered women. Okay, they possess her. And to exorcize them, Max must unmask their killers. But how?! By stepping into the void their deaths created, taking their jobs, befriending the loved ones they left behind. Max goes wherever she has to go and does whatever she has to do, with a lot of help from the ghost of her late husband Cameron and hunky and very enticing Detective Witt Long. In *Dead to the Max*, Book 1 in the Max Starr series, Max steps into the shoes of a murdered accountant and starts to learn that even supposedly boring accountants can have secret lives and secret desires.
