Von Leighann Dobbs : Dead Wrong (Blackmore Sisters Mystery Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dead Wrong (Blackmore Sisters Mystery Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. a nice little romance/mystery storyVon Hoener, BirgitFour sisters live together in their old house after their parents' death,

two of them working in their herb/gem shop. When one not-well-liked resident of the town is murdered, the sheriff tries everything to convict the eldest. The sisters decide to take matters in their own hand, with the help, apparently, of their cat, and the new sheriff's assistant, who seems to be on their side. A nice plot, good narration style, and elements of humour and romance, all in all a very nice story, although the implementation of the plot seems a little bit lacking: events develop too quickly without a more detailed explanation, I as reader had the impression I was missing some element, like getting into a series in the middle of it without knowing what went on before. I think the story would have gained from expanding a bit, like on the budding romance between the second sister and the sheriff's assistant, the role the cat played, etc. However, it was a nice read, all in all, and I wouldn't mind to read the second book in this series.

In frechen modernen Gewand kommen in diesem Roman gleich 4 Sprnasen zusammen. Vier Schwestern von denen eine des Mordes an einer Nachbarin verdchtigt wird, ermitteln auf eigene Faust den wahren Mrder. Morgan, die ltteste der Schwestern, wird vom wahren Tter durch falsche Indzien schwer belastet. Ihre Schwester Fiona begibt sich auf die Suche, da die Polizei die Ermittlungen bewusst verschleppt. Zum Glck ist aber Jake, einer der Cops, auf ihrer Seite und am Ende wird natrlich alles gut, selbst in der Liebe. Gleich zu Anfang wird ein Hinweis auf ein mgliches Motiv ausgestreut, so dass man als Leser den Fall schnell htte abschlieen knnen. Das hat mich aber nicht gestrt. Auerdem gibt es da wohl noch ein paar Familiengeheimnisse, die in Folgebnden geklrt werden mssen. So wird es fr mich weiteren Lesestoff geben, denn die Charaktere sind mir alle schnell sympathisch geworden. Und auch der Schreibstil war angenehm und ich konnte so durch die Seiten flutschen. Mein Fazit Ein leichter, als ebook kostenloser, Lesegenuss fr einen Tag am Strand, gewrzt mit etwas Romantik und kleinen mysterisen Hinweisen auf die verdammt schlaue Katze der Familie. Leighann Dobbs kommt auf meine Autoren-Favoritenliste!
