Brill! Von Seamus Oh my god! Rachel, you did it again.....I just wanted to keep on reading through the night with this one. The adventure of Cash Co just continues getting more extreme, V. tragic and nail biting. For example, my wife asked me "why are you breathing so strange?", to which I realised I had my hands covering my mouth nose!THE STORY WAS JUST TOO BLOODY HEADS ON!

Kurzbeschreibung THE CONTINUING STORY OF THE BESTSELLING DEADLAND SAGA It has been one hundred days since the zombies claimed the world. Cash, along with forty-two survivors, have found safety in the secluded and well-guarded Fox National Park. The leaves are changing colors, a beautiful, brutal reminder that winter is coming. As the survivors prepare for freezing months without electricity and not enough food, they learn of massive zombie herds several hundred miles north...and headed their way. To save the park, Cash must find a place for the survivors to hide from the migrating herds. If Cash and her small band of volunteers don't succeed by winter, the Fox survivors just may become Deadland's Harvest. Deadland's Harvest is inspired by Dante Alighieri's classic tale on the seven deadly sins... retold zombie apocalypse style! The Deadland Saga (a trilogy) Book 1: 100 Days in Deadland Book 2: Deadland's Harvest Book 3: Deadland Rising
