Deadlock Von Ein Kunde When her cousin Boom Boom dies in an accident, Vic is naturally upset. She wants to know how and why the accident happened and she isn't satisfied by the answers she gets. So she goes on asking question... and more people start to die! Es handelt sich hier um eine spannende Kriminalgeschichte welche eine ganz anderes Ende nimmt als man zuerst vermutet. Das Buch ist der Gruppe "Stage 5" zugeordnet und mit mittleren Sprachkenntnissen gut zu verstehen. Am Ende gibt es zu jedem Kapitel kurze Fragen und Arbeitsaufträge. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Well written Von Valentina Woolfas usual from Mrs Paretsky! I like her style of writing. This was my first Warshawski Novel that I have read in English. Thank god it is american English :- ) - so I've got quite the most of the words and the grammar. I recommend reading Paretsky in original language! 3 von 14 Kunden fanden die folgende Rezension hilfreich. Riveting and fast-paced! Von Ein Kunde This was my first introduction to tough-as-nails, but soft-hearted, V.I. Warshawski and I've been a fan ever since. V.I. is a welcome addition to the growing number of female private investigators. Paretsky's tale is tautly plotted, with ever-increasing tension. Hope she writes another V.I. book soon.

Kurzbeschreibung Deadlock, V I Warshawskis second case, involves the huge Great Lakes shipping industry. Once again the subject is murder this time the accidental death of Boom-Boom Warshawski, an ex-hockey star and V Is beloved cousin, who fell off a rain-slicked pier on Chicagos busy waterfront. Convinced that Boom-Boom was in fact killed because of information he had uncovered about criminal doings on the shipping lines, V I begins a long and frustrating search for her cousins murderer. In the course of an investigation that takes her to a remote Canadian port city and a calamitous trip on a sabotaged freighter, V I finds all too many possible candidates for the killer, including a grain company executive involved in extortion; and rival heads of two shippers, one of whom is being blackmailed for his criminal past; a hockey player whose specialty is graft; and Boom-Booms lover, an icily beautiful dancer with expensive tastes in men and merchandise. Pressestimmen How enjoyable to settle down with a new book by Sara Paretsky. Sunday Telegraph With the creation of V.I. Warshawski, Sara Paretsky did more than anyone to change the face of contemporary women's fiction. Express on Sunday Warshawski's darkest outing, with no sign that her creator is flagging. Paretsky has written a novel in which a great deal is stripped bare, including Warshawski's innermost anxieties about herself, producing a narrative as gripping as it is emotionally wrenching.
