series!! Von Valerie Bongards This is the fifth in the Deadly series. Sarah had her art studio destroyed and a certain painting slashed. Later, another artist had her studio destroyed and an actress was found murdered. The artist had disappeared. Another case for Francesca Cahill and Rick Bragg. But, they were not coming any closer romantically as Rick's wife had managed to get herself into his life and home again, and Rick's half brother, Calder Hart is making definite advances towards Francesca. Again, Brenda Joyce has given us a rollicking story of deception, romance and thrills. The triangle romance that is progressing between the main protagonists is coming to a head, and I think that Ms Joyce needs to sew it up soon as it is getting quite frustrating wondering who Francesca will end up with. I don't know if her fans will be able to hold on much longer. Also, again, it was a very enjoyable read and I am very much looking forward to the next book. Unfortunately, Brenda Joyce will now only be putting out one Deadly book a year, due to other book commitments, but I am sure they will be well worth waiting for.

Kurzbeschreibung Brenda Joyce's New York Times best-selling novels have thrilled millions of readers. Now, in her latest Francesca Cahill novel, return to the lush mansions and teeming streets of New York City's Gilded Age, where intrigue and seduction lie on every corner... The year is 1902. The place is New York City. A famous stage actress has been found strangled in an artist's studio, and the artist herself has vanished. Francesca Cahill, the city's most unconventional heiress and famous amateur sleuth, is once again on the case-for the murder victim is none other than her brother's mistress. And when the sole witness to the crime is also found strangled and only one clue is left behind-a silk stocking-it becomes evident that a madman is on the loose. Now more than ever, Francesca is determined to find The City Strangler and bring him to justice. But the trail is a twisted one, and she'll need the help of handsome, dynamic Police Commissioner, Rick Bragg-even though she must attempt to end their star-crossed romantic liaison. But now, she also finds herself fending off the advances of his notorious rival, his powerful half-brother, Calder Hart. Ruthlessly pursued by Hart, hopelessly enamored with Bragg, Francesca races against the clock before The City Strangler strikes again, never realizing the consequences that will come when danger and desire become one...
