will hold your attention! Von Detra Fitch Set in 1902. New York City's Police Commissioner Rick Bragg was dragged into another crime investigation with Francesca Cahill. This time Francesca was out to help her best friend, Sarah Channing. Sarah's home had been broken into and a few of the paintings she had been creating had been destroyed. But was it an attack against Sarah or against one of the two people who were the subjects of the paintings that had been destroyed? Add to this a love triangle involving Francesca, Rick, and Calder, as well as, someone stalking Lucy (Rick and Calder's sister). ***** This book is a mixture of adventure, excitement, and mysteries. The love triangle seems to continue in each book of the series. There is always something going on to hold the attention of the readers. Great reading! ***** Reviewed by Detra Fitch of Huntress Reviews. 1 von 1 Kunden fanden die folgende Rezension hilfreich. This series gets better and better! Von Valerie Bongards Well, Francesca and Bragg are up to it again, solving crimes and trying to stay good friends when the sensual electricity is flying around them. Bragg's wife has shown up on the scene and is causing havoc, plus Bragg's brother Hart has his eye on our young Miss Francesca. As for the crime element, actually there are two things going on. One, Evan's (Francesca's brother) fiancée has been visited by a vandal who has wrecked her atelier and ruined one particular painting. This gets solved in the next book. The other is that Bragg's family is in town, and his stepsister is being blackmailed by an ex-con. Her husband is involved too, as he was also an ex-con. All this to say, that this book is very exciting and of course, I can't wait to get to the next one!!

New York City's Police Commissioner Rick Bragg has been called upon to investigate a shocking crime. Reluctant to pull Francesca Cahill into a case that could be very dangerous, Rick also knows the beautiful and brilliant heiress has a natural ability for sleuthing that could aid him--even if it means working side by side with a woman who tempts him like no other. And so Francesca and Rick begin a harrowing journey through the squalid underworld of the city that plunges them deeper and deeper in a peril neither could have imagined--and a desire that only continues to grow... Brenda Joyce's *Deadly Desire* is a sizzling hot historical romance. Pressestimmen "Joyce excels at creating twists and turns in her characters' personal lives."-- Publishers Weekly
