AwesomeVon aniekIt is the best book ever,U need to read it!!!!!!!!!!!!!!0 von 1 Kunden fanden die folgende Rezension hilfreich. A wonderful read, you want more!!Von Valerie BongardsThis is the first of a great series of books. If you like mystery with your romance, you will not be disappointed. Basically, the story is Francesca Cahill is a bluestocking, who would love to solve crime than sit at home waiting to be married off to someone she doesn't really care for. She meets Rick Bragg, the local police commissioner who is clever and handsome. While they solve a crime together, they are falling in love. Brenda Joyce gives us not only a good mystery, but complex characters with twists and turns that are unexpected. I know you will really enjoy this, and will not be able to wait to read the others to learn what becomes of Francesca and Rick.

KurzbeschreibungDear Readers:I have a confession to make. I never know where my "muse" will take me next. It has been an exciting literary journey--my writing has evolved in many unexpected way, including recently into the realm of powerful and suspenseful contemporary women's fiction, which I shall continue to write under my own name, Brenda Joyce. I have never lost sight, however, of my audience--my historical romance readers, and especially fans of my books featuring the Bragg family. To this day, many of you still clamor for more Bragg books. Well, imagine my surprise when my "muse" prompted me to begin a new historical romance suspense series--and then I realized a Bragg had to be the hero! And so the nom de plume B.D. Joyce was born, and with it, the first book in an ongoing series, Deadly Love>Welcome to the world of Francesca Cahill, crime-solver extraordinaire. Francesca is no ordinary heroine. She refuses to bow to convention, wears her heart on her sleeve, and is determined to right the ills and injustices of society/ Deadly love begins Francesca's mad escapades when the neighbors' little boy is kidnapped right out of his bed during a society ball. It is January 18, 1902. Francesca stumbles across the ransom note just as she meets New York City's newly appointed police commissioner, Rick Bragg. And Francesca can no more stay out of this investigation than she can stop herself from falling love with the city's determined and powerful police commissioner. But little does she know that on this singular night, he life will change forever.Let me take you back in time to the lost, magical world of turn-of-the-century New York City--where the glittering mansions of society's elite are only footsteps away from the impoverished back alleys of the city'sunderbelly--and into the heart of true danger and even truer passion.Enjoy!Best wishes and Happy Reading,B.D. Joyce(a.k.a. Brenda Joyce)From Publishers WeeklySeasoned historical romance writer Brenda Joyce recently branched out into contemporary fiction with a new series (House of Dreams), written under the pseudonym B.D. Joyce. Beautiful socialite Francesca Cahill is a determined bluestocking who prefers learning and good causes to society's dizzying whirl. As a reluctant guest at a family ball, she meets New York's handsome, young, but feckless police commissioner, Rick Bragg, while unbeknownst to both of them, a young child is being abducted next door. Soon a series of cryptic notes begins to arrive, each more terrifying than the last. Francesca jumps into crime-solving, and in the process moves from tentative friendship to passion with the dynamic but mysterious Bragg. The implausible crime (for example, how did the child's abductorAhis father, an ineffectual socialiteAget hold of the tip of an unidentified person's ear?) and its flimsy resolution are unsatisfying, even for a lighthearted book. In contrast, Joyce excels at creating twists and turns in her characters' personal lives. The steamy revelations that confront Francesca as she probes into the secrets of friends and family are genuinely intriguing, and just enough of them are left unresolved at the book's end to leave readers waiting eagerly for the series' next installment. (Jan.) Copyright 2000 Reed Business Information, Inc.From Library JournalIn the first of a projected series that seems to derive its inspiration from Nora Roberts's J.D. Robb romantic suspense novels, Joyce takes a rebellious New York socialite who wants more from life than simply marrying well and a new police commissioner with a past. She then gives them a kidnapping to solve that drags them into New York's seamy underside and into a romantic relationship as well. Fast-paced, sensual, and intriguing, this title will hold special appeal to fans of Joyce's earlier Bragg family series because the powerful, dynamic hero is one of their own. Joyce is a popular author of a number of types of romance, including some earlier violently sensual works; this is her first book under the B.D. Joyce pseudonym.
