Von Jaycee Clark : Deadly Ties (Deadly series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deadly Ties (Deadly series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Just great!Von Ruth HansThis is an extraordinary story, told in a fashion that you just can't the bood down, once you've started it!Like all the books of the Kinncaid Brothers, the story of the hero, who's first priority is to save his love from harm, is told in a not to fast pace, with the right amount of sensuality and with true love to the whole concept of

family. My only recommendation is: Buy it... ..read it... ..love it!

Kurzbeschreibung *Deadly Ties* is just an all-around amazing story. The suspense will have readers at the edge of their seats! *Fallen Angel s: Five Angels: Recommended Read* Some bonds are love . . . Taylor Reese is done with men especially egotistical ones no matter how charming they may be. The only exception to her no men rule is her eight-year-old adopted son, Ryan, who is wonderfully adjusted considering the environment his parents forced him to endure. Both are starting over in the Washington, D.C., area and aren't looking for anything more than peace and quiet. Thanks to Gavin Kinncaid, that peace and quiet is nothing more than a fleeting dream. Some ties can never be broken . . . Dr. Gavin Kinncaid, one of the most successful doctors in his field and well aware of it, knows women or so he thinks, until he meets Taylor Reese and realizes he doesn't know anything about the opposite sex. Taylor is nothing like any woman he's ever met. More than that, she's the only woman he's ever wanted to strangle. But when fate throws them together on a rain-swept deserted road, passion soon twists their feelings into more than antagonism. First desire, then friendship, and finally love. And some bonds are deadly . . . As the three of them grow closer, learning to trust and building bonds none of them ever thought they'd have, a menace approaches. A menace that will destroy each of them and the bonds they've worked so hard to forge: Ryan's mother has escaped from prison, and she has only one plan to rip this happy family apart and reclaim what she considers hers, no matter the cost. About the Author: New York Times and USA Today bestselling author Jaycee Clark is the author of *Hunted* and the *Kinncaid Brothers* series, including *Deadly Shadows*, *Deadly Ties*, *Deadly Obsession*, *Deadly Games*, *Deadly Secrets*, and *Deadly Beginnings*. ber den Autor und weitere Mitwirkende Jaycee Clark never really grew up she still enjoys playing with imaginary people on a daily basis. Sometimes those people are nice, sometimes they're not, but in the end the girl gets the guy, so all is well. Jaycee earned her degree in Elementary Education from Eastern New Mexico University. She lives in Texas with her family, who puts up with her when her characters demand more of her time and appreciates her weirdness or so they claim. There are also the cats and the corgis, who, in truth, rule the family. When she's not chained to her keyboard, she's doubling as a parent, a teacher, a maid, a chef, a chauffeur, a therapist, and promoting her education in human development while finishing her masters in plant elimination.
