KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. AMAZINGVon Heavenly Good BooksI just love love LOVE this series! They were my first books by Ashley and since then I just adore her writing and all the worlds she is creating.The trilogy is telling us the story of Jade, who is

living in a small town called Dog Mountain. A place where seeing a werewolf...yes a WEREWOLF is a normal occurrence. People accept them and even idolize them? But not Jade. She hates them. Hard and strong. Until she meets Aidan. Handsome, cocky and so so MINE...um...I meant so perfect for her ;) After their meeting everything changes. Her feelings towards him, towards the pack and the life, family she thought was normal turns out to be not really normal....A trilogy that will suck you in straight away! 5 amazing heavenly stars!

Kurzbeschreibung Get the entire Deadly Trilogy in this eBook collection from award winning author, Ashley Stoyanoff! Deadly Trilogy eBook collection includes: Deadly Crush Deadly Mates Deadly Pack Book 1 Deadly Crush Dog Mountain is just like any other small town peaceful and uneventful. Well, that is if peaceful means wolves howling all night, and uneventful means its overrun by pesky werewolves, then yes, Dog Mountain is just your average small town. Jade Shaw has spent the last two years avoiding the pack. But when Aidan Collins moves to town, avoiding the dogs doesn't seem possible. The pack wants him just as much as she does. Determined to keep him out of the pack's grasp, Jade does everything she can to gain his attention. Little does she know, Aidan is in deeper with the pack than she could have imagined, and competing for his attention is a deadly game, one she may not want to win. Book 2 Deadly Mates Jade never thought she'd embrace being a werewolf, but after having accepted her new role as alpha female of Dog Mountain's pack, she finds herself doing just that. She's training with the enforcers and learning to use the alpha within her to her advantage. And for the most part, Jade is content, well at least with her training she is. But Dog Mountain is a small town with big problems. The new alpha pair is divided, splitting the already unstable pack with them, and to make matters worse, Jade's father is on his way home. Except Jade's father and his twisted pack of werewolves aren't the only threat. When Aidan brings in a new set of enforcers to weed out the problems within the pack, Jade is forced to delve into the center of the issue. She soon realizes that she is the indirect cause of the uneasiness within the pack, and if Jade doesn't fix it, she'll lose everything, even Aidan. Book 3 Deadly Pack Since becoming the alpha female of the Dog Mountain pack, Jade certainly has had her share of challenges. She's had to prove herself to a bunch of werewolves that she spent years hating; forgive her mate who'd done nothing but lie to her, and face the grueling fact that her father leads a pack of werewolves, who are responsible for tormenting her werewolves for many years. On the upside, the Dog Mountain pack is finally coming together now that Jade and Aidan's mate status is official. And now that they know where her father's been hiding his nasty pack of beasts, Jade and Aidan can concentrate on stopping them once and for all. But when Jade's dad finds out that she's become Aidan's official mate, all hell breaks loose, and Jade and Aidan soon learn that his plans for their werewolves are bigger than anyone could have ever suspected.
