KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. but there is a butVon b_tubYeah, it`s still the people we got to know in the precedent books and still the romantic vision of

mafia life and honorable mobsters but there is a but...I am disappointed at the ever predictable romance between the ever predictable personalities. The arrangement of plots and both, main characters and nonentities feels recognisable. Actually, I do lack a surprise. However, it's a nice read with eloquent dialogues and wit.

Kurzbeschreibung
Its business as usual for crime boss Cain Casey as she maneuvers to form an alliance with the Jatibon organization and secure peace among the ruling families in New Orleans. Cain's new associate Remington Jatibon is a lot like Cain used to be a playgirl with a passion for bedding beautiful women and an even greater passion for expanding her father's empire, on both sides of the law. When Remi meets Dallas Montgomery, a budding actress working for the studio Remi's father has just acquired, she finds that there is more to Dallas than is included in her press pages. Meanwhile, on the home front, life is anything but routine as Cain and Emma hope to conceive another child. Little do they know an old enemy is about to surface bent on revenge on Cain, and what better way than to take what Cain values above all else her wife.
