**Von Angela Marsons : Dear Mother: A gripping and emotional story that will make you sob your heart out (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dear Mother: A gripping and emotional story that will make you sob your heart out (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Still a chance leftVon bobI'm a daughter with a "story" as well and I know so many of the feelings Angela Marsons describes with gentle cruelty from my personal experience. It's the unbreakable part of the bonds that haunts us, sometimes for decades, that creates this unsaintly trinity of denial, addiction and abandonment. But there's still a chance left. To break free, to create an independent life, to learn to get happy. I took my chance finally. There's still pain, there are still tears but there is future as well. Thanks for "The Middle Child". It is so good to know, that there are others who suffered from and overcame a MOTHER. And please go on with Kim Stone - I liked these stories very much.2 von 2 Kunden fanden die folgende Rezension hilfreich. Not a Whodunnit, but nevertheless a Page-TurnerVon 27Cathy10As a Kim Stone fan, I actually made a mistake and ordered this book, which is not in the Kim Stone series. Turns out this is the story of three sisters. Marsons writes compassionately, subtly, managing the big themes of child abuse / neglect beautifully. Even without the "whodunnit" element, this is a page-turner.2 von 2 Kunden fanden die folgende Rezension hilfreich. From the first page it was like a sponge... Von margaret FreyaldenhovenSad..horrible but gently..we all have our secrets regardless of what they are..how true that our childhood plays a big role in our adult life...

KurzbeschreibungThree sisters. Three childhoods ruined. One chance to heal the scars of the past. After their death of their cruel and abusive mother, estranged sisters Alex, Catherine and Beth reunite once again. Alex, the youngest, is a bitter, unhappy woman who refuses to face the horrors of her childhood. Finding solace in a bottle, her life is spiralling dangerously out of control. Eldest child, Catherine, has strived for success, despite her difficult upbringing. But behind the carefully constructed faade lies a secret that could shatter her world forever. Beth, the middle child, bore the greatest burden. But having blocked out the cruelty they suffered, she remained with their mother until her death. Now she must confront the devastating reality of the past. Brought together as strangers, the sisters embark on a painful journey to heal themselves and each other. Can they finally put their terrible childhoods to rest and start over? An emotional, heart-breaking and compelling novel for readers of Diane Chamberlain, Amanda Prowse and Kelly Rimmer. Previously Published as The Middle ChildKurzbeschreibungThree sisters. Three childhoods ruined. One chance to heal the scars of the past.
