Von Alice Harron Orr : Dear Santa (Secret Santa) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dear Santa (Secret Santa):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Starts out well, but then... Von Ein Kunde Alice Orr's "Dear Santa" pales in comparison to her last Christmas mystery, "Protect Me, Love." It begins with a great thread, trying to keep the secret that the "aunt" they live with isn't related to them at all. But just when Coyote Bellaway is on the brink of getting the money to save him and his sister, he witnesses something that puts his life in danger. It's up to two adults from the local children's community center- Katherine Fairchild and Vic Maltese- to save the boy from the danger stalking him and his sister. Unfortunately, the story becomes less interesting as it goes along. The pace isn't helped by Orr's endless paragraphs, which basically amount to one and a half paragraphs per page, but there's also the fact that the bad guys stay in the background far too

long and the wrap-up happens far too fast. Plus, the bantering between Katherine and Vic is given too much time, leaving less time for plot development. I liked the characters and cared about what happened to them, but Vic's big secret is somewhat of a letdown (I don't know what the back cover copy is talking about, but it is not Katherine's stepson is mentioned early and brought up a lot, yet it's never explained what happened to her ex-husband. Orr has written better books before. Some sweet moments, but not much more. Von 0 Kunden fanden die folgende Rezension hilfreich. Vic is the consummate romance hero. Von Kyle1119@aol.com Vic and Katherine weave through a complicated mystery to find love and create a caring family. A nice Christmas treat!

Kurzbeschreibung ONE SEXY SECRET SANTA With strong shoulders to lean on and deep, dark eyes to drown in Vic Maltese was a package any woman would want under her Christmas tree. But beneath the gorgeous wrappings and his padded Santa suit lay a heart-wrenching family secret. A secret that left him a pushover for women and children in need. When Katherine Fairchild met two kids in terrible trouble, she instinctively turned to Vic. The tough but tender man offered protection and passion. In Vic's strong arms, Katherine knew she could face any danger and maybe even make her Christmas wish of a family of her own come true.
