KurzbeschreibungDear Woman is where poetry meets inspiration. This is a book of quotes, letters, short stories, and poems written to provide education, motivation, encouragement, and a little tough love to women of all ages. Dear Woman is a journey through womanhood that visits some of the deepest and darkest corners of women's lives, with hopes of shedding a little light and love. This book is written from the perspective of a man who wants nothing more than for you to be the best woman possible, regardless of circumstance. It is one man's gift to the world, with hopes that no matter how the world may treat a woman, you should not stop being a woman in it.
