Von Dara Joy : Death by Ploot Ploot! (Matrix of Destiny Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Death by Ploot Ploot! (Matrix of Destiny Book 5) (English Edition):

Kurzbeschreibung*This was written to be a lengthy novella. (Much longer than a story- but not as long as a novel.)Matrix of Destiny universe (KNIGHT OF A TRILLION STARS, REJAR, MINE TO TAKE).What happens

when Deana decides to introduce the concept of Valentine's Day to Aviaara? Yep, that is pretty insane. What are you thinking, Deanna?! How will the fearsome Charl knights react to the concept of a day of romance? Sexy time for wizards. With sparks. Welcome, traveler! Time to rejoin old friends and come back to where it all started: Aviaara. It's home- and the door is open for a sweet and spicy visit. Have a party visiting with Lorgin and Deana, their family, friends, and Familiars. Find out what is going on in the MOD universe in this hilarious, heart-warming story (with plenty of steam, of course) that advances the Matrix of Destiny storyline. **WONDERFUL REVIEWS FOR DEATH BY PLOOT PLOOT:** Meanwhile back on Aviaara! It seems Lorgin is experiencing fluctuations in his Charl powers that Yaniff believes may be an indication that he will experience an increase in his abilities. The tenth level mystic-in-training, Rejar continues to exasperate his Charl Master, Yaniff; who in turn continues to subtly manipulate the brooding Traed into the Charl way of life. As the Earth holiday of Valentine's Day approaches, Deana is bored with her contented life and looking for a way to stir things up; just for fun. And what better way than to bring her own version of this romantic holiday to the Charl Knights and Familiars of Aviaara? Well, Deana may have bitten off more than she bargained for when Lorgin decides to beat her at her own game. I'm happy to see that our favorite Charl and Familiars haven't lost any of their sexy charm or endearing arrogance. This novella was like catching up with old friends, I had a smile on my face the entire time I was reading. Deana is still her mischievous self and all of the characters that fans have come to know and love make an appearance. This satisfying short will sooth the nerves of even the most addicted Matrix of Destiny reader, and provide just enough fun to hold us over until Ms. Joy gives her loyal readers what they have been dying for, a new release. Welcome back Dara, we have missed your unique voice, and of course your sexy alphas! ed by Dee Gentleparanormalromance.org "I immediately devoured Death by Ploot Ploot and discovered I had been starving for one of my all time favorite writers." -Karen "I read the book on the computer. It was wonderful. I love Dara Joy's books. She is a wonderful, imaginative writer. Thank you for love stories that I can keep in my heart forever." -Gayla "The only way to describe the reading of my e-book "Death by Ploot Ploot" is to say the I consumed it. Then I read it again. I laughed so hard. This is what I have been missing in books I currently read. You get an entirely different feeling reading Dara's works. No one else stimulates like Dara - literally in every sense. Oh, how I miss her writings! I read and read again all her books. Did I say how much I have missed her writings? Please tell me that Traed has an adventure coming!" - Joy "Just wanted to say that I loved DEATH BY PLOOT PLOOT it was amazing." - Baascha "Thank you! Death by Ploot Ploot floored me. Such a great story, and many laugh out loud moments. Jackie
