Von Kat Ginever : Death? (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Death? (English Edition):

KurzbeschreibungFor Casey, a young woman writing her thesis on death, the subject is a seemingly familiar one. Until she meets Varin, the Vampire who will show her a dark world full of violence and carnality, which welcomes her readily and will shatter her misconceptions of death completely. Several dangerous people begin to influence Caseys life, from the child vampire Anna Bella with her princess obsession and damaged curiosities, to Curtis; the arrogant and flirtatious young vampire who seeks to destroy everything Varin has achieved. Her headlong journey into the dark will change Casey forever, but can she really be a part of their world without succumbing to Death? Please leave feedback! I cannot know what you liked about the work, and use it to fuel more stories, if you don't leave feedback!<http://klginever.wix.com/katginever>www.facebook.com/KatHaebichwww.twitter.com/KatisZandraKurzbeschreibung Casey, a young woman writing her thesis on death, the subject is a seemingly familiar one.
