Von Jane Isenberg : Death in a Hot Flash (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Death in a Hot Flash (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wry truth and delicious plot on every pageVon Ein KundeWhat a delightful mystery read! The plot is well-constructed and timely with many unexpected twists,while the characters are both genuine and distinctive. At the same time, the life situations of protagonist Bel Barrett, her family and her multicultural friends are ones that every mature reader will recognize with a blend of empathetic sadness and rib-tickling laughter. I recommend this highly satisfying book to all mystery fans, and especially to sandwich-generation empty-nesters, slice-of-urban-life afficionados, and those who know that 50-something women have the most interesting lives--even when they aren't stumbling over bodies. Bel Barrett and her creator Jane Isenberg go from strength to strength, and I can't wait for the next book in the series. Keep them coming, please!0 von 0 Kunden fanden die folgende Rezension hilfreich. A Great New Series! -- For women

facing "change" Von TC-Cbus I think this is a heroine for our times! This is not one of those young, pouty-lipped, long-legged, blondes with whom every other male character falls in love. This is a real character with whom you want to meet for lunch and dish the dirt. This will be one of those you pass on to other female friends of a "certain age." I don't think men will like this one. They just won't get it. I also like the use of letters and emails to start off each chapter. It really helps move the story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Warm, Funny, Clever and so true! Von leonicoo This is the second Bel Barrett mystery by this grand author. Post-menopausal Bel, a professor in a community college in New Jersey, again makes me feel as if I have known her for years. Coping with students, children, newly-widowed mother and a pair of the best friends anyone could have, Bel comes alive in a way that few protagonists have done. Well Done!

Kurzbeschreibung Bel Barrett's back! This time the fifty-something New Jersey community college prof is teaching writing to future funeral directors with popular local undertaker Vinny Vallone. When Vinny's found swimming with the fishes in the Hudson River, Bel suspects a stalker who strikes back. In a flash, Bel's up to her estrogen patch in danger. Meanwhile, Bel's aging parents fall ill in Charleston, her "adult" children are at risk in Israel and Seattle, and her long-time lover leaves her heartbroken in Hoboken. Bel must unmask the killer, teach her classes, care for her parents and her kids, and win back her lover all at once. Who said sleuthing was simple in the sandwich generation? Kurzbeschreibung Bel Barrett's back! This time the fifty-something New Jersey community college prof is teaching writing to future funeral directors with popular local undertaker Vinny Vallone. When Vinny's found swimming with the fishes in the Hudson River, Bel suspects a stalker who strikes back. In a flash, Bel's up to her estrogen patch in danger. Meanwhile, Bel's aging parents fall ill in Charleston, her "adult" children are at risk in Israel and Seattle, and her long-time lover leaves her heartbroken in Hoboken. Bel must unmask the killer, teach her classes, care for her parents and her kids, and win back her lover all at once. Who said sleuthing was simple in the sandwich generation? Synopsis Middle-aged professor and amateur sleuth Bel Barrett gets more than she had bargained for after agreeing to teach Vinnie Vallone's Funeral Services class the art of writing, when Vinnie turns up dead, the victim of foul play, and one of his students, a born-again ex-con, becomes the prime suspect.
