Von M. M. Kaye : Death in Kenya: A Novel (Death in...) before purchasing it in order to gage whether or not it would be worth my time, and all praised Death in Kenya: A Novel (Death in...):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Die anderen in dieser Reihe gefielen mir besserVon MoreTeaVicarDas Buch hat mich nicht so gefallen, wie die anderen in dieser Reihe. Die Geschichte findet vor dem Hintergrund der gerade berstandenen Mau-Mau Revolte in Kenya statt.

Insofern ist die Stimmung durchgehend etwas dunkel. Es fehlt die Leichtigkeit, die man bei *Death in Cyprus* oder *Death in Kashmir* findet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fabulous blend of mystery, suspense and romance! Von Ein Kunde Before I read this book, the only works of M.M. Kaye that I had read were the *Far Pavilions* and *Shadow of the Moon*. Both were excellent but I had seen her as more of a romance writer and was therefore surprised to learn that she has written mysteries as well. *Death in Kenya* is a very well-written mystery with a nice touch of romance but the best part is the atmosphere. Kaye does a masterful job of recreating Colonial Kenya at the end of WWII where many settlers were born and bred in the country yet clung stubbornly to their British roots. The world they inhabit is one of bungalows, afternoon tea parties, card parties at clubs, and hunts - this sounds old-fashioned even for the 1950's, but you recognize that the winds of change were already blowing over the remaining colonized countries and the white settlers were desperately trying to hold on to a disappearing lifestyle. The mystery itself is intriguing - Victoria Caryll, a young girl who had been born in Kenya but was subsequently sent to England for her education is asked to come out and be with her aunt, Lady Emily DeBrett. Victoria is reluctant because returning to Kenya would mean meeting her cousin Eden DeBrett, who she had been formerly engaged to. As a teenager, she had been in love with Eden when he had broken her heart by abruptly calling off their engagement and marrying another girl. However, her aunt prevails upon her to come. But as she is on her way out, Eden's wife Alice is brutally murdered and the story takes off from there. The mystery is interesting and genuinely suspenseful and reading about Kenya was amazing! Kaye had actually lived in Kenya and her love for the country and indeed all of Africa clearly comes through. Highly recommended! 0 von 0 Kunden fanden die folgende Rezension hilfreich. One more wonderful book by Kaye. . . . Von Dusty I must tell all you that I enjoyed this just like I have enjoyed ALL OF HER BOOKS since I first read 'Far Pavillions'. She is the reason I still want to go to India! In "Death In Kenya" I could picture the setting having traveled to Africa in 1989 and I was fortunate to spend some time in the bush on safari and it was simply wonderful. Her books once again bring enjoyment to me. I am ashamed to admit that after I read 'Shadow of the Moon' I was sidetracked and never read any of the others, but I am making up time for the lapse now. "Death in Kenya" is thoroughly enjoyable and I am now looking forward to reading her "Golden Afternoon". How special!

Kurzbeschreibung Written by celebrated author M. M. Kaye, *Death in Kenya* is a wonderfully evocative mystery...When Victoria Caryll is offered a position at Flamingo, her aunt's family estate in Kenya's Rift Valley, she accepts-knowing full well that the move will give her a chance to see Eden DeBrett once again, the man she was previously engaged to. But she doesn't realize that coming to her aunt's home will introduce her to an unstable region still recovering from the bloody Mau Mau revolt, and to a household thrown into grief by a recent murder. Distinguished by its mystery, romance, and exotic setting, *Death in Kenya* is as graceful as it is chilling-it is the beloved novel of one of our finest and most accomplished writers.
