kann auf die Webseite der Autoren gehen, dort gibt es interessante Links dazu) um Kubu und die Kalahari. Sehr detailliert, sehr vertrackt, und wenn man dann mal eine Idee vom Tter hat, dann Ist sich alles logisch und konsequent auf. Die Autoren haben keine Angst, unpopulre Entscheidungen zu treffen, auch wenn manchmal die Auflsung knapp zu einfach erscheint. Kritisch, politisch, sehr lesenswert, ich mag diesen Detektiv.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sdafrika aus Sicht der Schwarzafrikanischen PolizeiVon heliborSehr gut gemachte Krimistory, die nebenbei auch noch interessante Einblicke in den Alltag der Bevlkerung gewhrt. Manchmal sind allerdings gute Nerven gefragt bei etwas drastischen Schilderungen im kriminellen Alltag. Lesenswert !

KurzbeschreibungIn the southern Kalahari area of Botswanaan arid landscape of legends that speak of lost cities, hidden wealth, and ancient gods a fractious ranger named Monzo is found dying from a severe head wound in a dry ravine. Three Bushmen surround the doomed man, but are they his killers or there to help? Detective David Kubu Bengu is on the case, an investigation that his old school friend Khumanego claims is motivated by racist antagonism on the part of the local police. But when a second bizarre murder, and then a third, seem to point also to the nomadic tribe, the intrepid Kubu must journey into the depths of the Kalahari to uncover the truth. What he discovers there will test all his powers of detection . . . and his ability to remain alive.PressestimmenDEATH OF THE MANTIS is the best book Ive read in a very long time. A fantastic read. Brilliant! (Louise Penny, New York Times bestselling author of Bury Your Dead)DEATH OF THE MANTIS is the best book yet in one of the best series going: a serious novel with a mystery at its core that takes us places weve never been, thrills and informs us, and leaves us changed by the experience. I loved this book. (Timothy Hallinan, author of The Queen of Patpong and A Nail Through the Heart)Assistant Superintendent Kubu is back! A page-turner from start to finish. Michael Stanleys enthralling series is a must-read for anyone who enjoys clever plotting, terrific writing, and a fascinating glimpse of todays Africa. KubuDEATH OF THE MANTISMichael Stanley: the perfect mystery trifecta for any crime fan. (Charles Todd, New York times bestselling author of A Matter of Justice)Impossible to put down, this immensely readable third entry. . . delivers the goods. Kubus painstaking detecting skills make him a sort of Hercule Poirot of the desert. . . . This series can be recommended to a wide gamut of readers. (Library Journal (starred review))Kubus third recorded case is again alive with local color and detail and, refreshingly, offers his fullest mystery plot yet.
