Von William Manchee : Death Pact (Rich Coleman Novel Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Death Pact (Rich Coleman Novel Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't

bother. Von Ein Kunde I found it necessary to force myself past the first few pages. In this case, it's immediately obvious that Manchee didn't do his homework very well, with regard to standard evidenciary procedure. And that's just the beginning of the complaints I have about this tale. However, it isn't worth your time to read my critique of this novel, because it really IS that bad. Forget it, folks. The comparisons to Grisham should be contrasts. I've read better prose in magazines aimed at 15 year-old girls. Heck, I wrote better prose at 15. Go re-read an old Grisham... you will find what you hoped for... and the likelihood of predicting the ending is about the same. 0 von 0 Kunden fanden die folgende Rezension hilfreich. What a wonderful book! Von Ein Kunde William Manchee has written such a good book. Not only does he surprise the heck out of me with the ending, but he keeps you hooked with every page. His plots are fresh, the characters very unique, and his words seem to paint the pictures in my head. Move over Grisham and Turow, there is a new face in town... William Manchee! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun, interesting read that keeps you guessing. Von Ein Kunde I found Death Pact to be a captivating read. Manchee takes the reader down a path of twists and turns that are totally unexpected and tops it off with an ending no one will guess!

Kurzbeschreibung Richard Coleman, has made partner in his law firm in record time. Despite his success there is little joy in his life having recently lost his wife in a tragic car accident. It's been a year now and he's tried to adjust to the loneliness and emptiness in his life with little success. Then he meets Erica Fox, the seventeen year old daughter of a high roller, Franklin Fox. Mr. Fox is divorced and needs someone to be trustee over Erica's affairs should he die. After eliminating all potential candidates for the job, Rich ends up being recruited for the task. When Franklin dies, Rich assumes his duties but soon is drawn into an illicit affair. When they are discovered by a meddling aunt she threatens to blow the whistle on them and have Rich thrown in jail. When she is later found dead the two lovers are prime suspects. Eventually Erica is charged with the murder but Rich knows she didn't do it, and sets out to prove it. What he doesn't realize is how perilous the search for the truth will be. . . . Pressestimmen Manchee ... weaves his engaging plot through Swiss chalets, Caribbean marinas, Texas court rooms and captivating characters before twisting readers toward a curious conclusion. In this romantic mystery, Manchee's killer seem's so certain. Then a sail from the Bahamas turns it upside down. But what a ride along the way. Terrific take on temptation and contemporary consequences in Texas -- The Book Reader, Fall/Winter 1999/2000 A heart warming thriller. It was the most outstanding suspense romance I have ever read. She was a true woman and it was fun to read all the legal jargon. I couldn't put it down. Read it, you will go nuts. I even intend to let my husband and six-year-old (when she gets older) read it. They might learn something. - Dana, a 27-year-old lawyer from Dallas, October 11, 1999, What a wonderful book! William Manchee has written such a good book. Not only does he surprise the heck out of me with the ending, but he keeps you hooked with every page. His plots are fresh, the characters very unique, and his words seem to paint the pictures in my head. Move over Grisham and Turow, there is a new face in town...
