Von Renee Rose : Deathless Love (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Deathless Love (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice story!Von D.S.I don` t want to write too much about the story, you should read it by yourself.But I really enjoyed reading the love story between Dom and Kate. Although it was a bit too simple sometimes.But it was a short story and so I can understand it to be honest.Very nice novel if you are a bit (or more!) interested in BDSM, spanking...because that is a very important part of the ebook...new to me but very interesting and very well done!Not to forget, it is a

vampire story. I missed the "bloody part" sometimes but oh well...I am much more into vampire romance so I can absolutely live with that. :)I enjoyed the book although it is not my favourite one. But if you like "hot and sensual" vampire stories you should go and get it.I didn` regret the purchase.

KurzbeschreibungA dominant immortal. A dangerous romance.Kate has always had a crush on Dominic, the handsome owner of the club where her band plays. When she finds out one night that he is a vampire, her interest only grows, and when he sniffs out her need for spanking and brings her deepest fantasies to reality, she falls head over heels. The trouble is, Dom is allergic to relationships, or so it seems.Dom loves knowing how to turn Kate on and taking her in hand comes naturally to him. But he believes he likes Kate much more than is good for either of them. In his mind, he can never be the man she needs, and the best thing he can do for her is to stay far away. But when a powerful vampire targets Dom, Kate gets tangled in the dangerous web and Dom finds himself prepared to sacrifice his own life to save hers. Can he get her back alive? If so, will they find a way to be together?Publisher's Note: Deathless Love is an erotic romance novel that includes spankings, sexual scenes, and more. If such material offends you, please don't buy this book.
