**Von Donna Clayton : Who's The Father Of Jenny's Baby? (Mills Boon Vintage Cherish)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Who's The Father Of Jenny's Baby? (Mills Boon Vintage Cherish):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent book! Von Ein Kunde I really enjoyed Who's The Father Of Jenny's Baby? and would highly recommend it to

anyone who loves traditional romance novels. This book had a bit of a mystery element that was very refreshing and different. Excellent book!

Kurzbeschreibung JUNE BRIDES Mother Child Join award-winning author Donna Clayton as she explores the loving ties that bond a mother to her child and the perfect man who helps them all become a family! "Whose child am I carrying?" Jenny Prentice woke without her memory only to be told she was pregnant. And two men were claiming to be her baby's father! Luke said he was her loving husband. Though Jenny felt passion for this quiet, attentive man, she sensed that their marriage had been far from perfect. For Luke's own brother stated Jenny's baby was his. The truth lay hidden in Jenny's lost memory and in the tender touch of one special man. Celebrate a month of joyful marriages with Silhouette Romance!
