**Von C. S. Harris : Why Mermaids Sing: A Sebastian St. Cyr Mystery** before purchasing it in order to gage whether or not it would be worth my time, and all praised Why Mermaids Sing: A Sebastian St. Cyr Mystery:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another thrilling storyVon kashewWhen reading series, the danger is always there that each book will not live up to the last. If anything, I enjoyed this, the 3rd book in the series, even more than the past two. The mystery itself is filled with tension and kept my interest. However, it was developments in our hero's personal life which were both surprising and satisfying. I don't want to give anything away ... read for yourself and enjoy.0 von 0 Kunden fanden die folgende Rezension hilfreich. Super spannend!Von BBrueggiNicht nur die Beschreibungen des Londons zu Anfang des 19. Jahrhunderts, sondern auch die jngere Geschichte der handelnden Personen und eine erstaunliche Auflsung eines Schiffsunglckes Jahre zuvor bieten 1a Unterhaltung. Schn sind die Weiterentwicklung und die Vernderungen, die die

Chraktere durchlaufen. Lesenswert!0 von 0 Kunden fanden die folgende Rezension hilfreich. SuperVon Fuchs JoanMit diesem Band hat sich die Autorin wieder deutlich gesteigert! Welch ein Drama! Kannibalismus auf hoher See, sehr plausibel dargestellt. Auch unsere Helden machen eine grosse Entwicklung durch. Man liest es gespannt bis zur letzten Seite durch, jedes Aufhren war qualvoll. Bitte weiter so!

KurzbeschreibungMurder has jarred Londons elite. The sons of prominent families have been found at dawn in public places, partially butchered, with strange objects stuffed in their mouths. Once again, the local magistrate turns to Sebastian St. Cyr, Viscount Devlin, for help. Moving from the gritty world of Londons docks to the drawing rooms of Mayfair, Sebastian confronts his most puzzlingand disturbingcase yet.From Publishers WeeklyWhile appending a serial killer plot line to a historical setting is nothing new, Harris imbues what could be an overdone and tired narrative device with refreshing novelty, making his third Regency-era whodunit (after 2006's When Gods Die) a triumph. Sebastian St. Cyr, an unconventional nobleman with a talent for detection, is called in by Westminster chief magistrate Sir Henry Lovejoy after two scions of the upper classes are found butchered and left on public display. St. Cyr soon finds a connection between the killer's calling card and a John Donne poem. As shadowy figures threaten and the parents of the victims display an inappropriate hostility to his efforts, the sleuth doggedly persists, uncovering a secret with shocking repercussions for London's upper class. Neatly meshing the page-turning whodunit plot with major developments in St. Cyr's love life, Harris shows every indication of assuming the mantle of the late Bruce Alexander as a reliable producer of quality period mysteries. Sebastian St. Cyr is uncannily clever, unwaveringly reserved, and irresistibly sexy. The entire series is simply elegant. New York Times bestselling author Lisa Gardner Deftly combines political intrigue, cleverly concealed clues and vivid characters. Publishers Weekly (Starred ) A crescendo of suspense and surprise. Library Journal (Starred ) Thoroughly enjoyable kept me enthralled. Deanna Raybourn A ripping read...captivated me to the final page. Will Thomas Harris crafts her story with the threat of danger, hints of humor, vivid sex scenes, and a conclusion that will make your pulse race. The New Orleans Times-Picayune Harris delves deep into the mores of Regency England Kirkus (Starred )
