Von Julia London : Wicked Angel before purchasing it in order to gage whether or not it would be worth my time, and all praised Wicked Angel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. This Book Should Get 10 STARS!Von Ein KundeMy GOD how can anybody say this was book was not good? I literally

did not want it to end so.... I just started reading from the beginning again. I read Julia London's newest novel "The Dangerous Gentleman" and liked it so much that I decided to read all of her books. I read "Devil's Love" but out of all her books, "Wicked Angel" is my favorite. Never have I read a book twice. Lauren and Alex were so real. I really cannot fathom why ANYONE could possibly say this book was not good. I wish there was a higher rating than 5 stars, this book deserves it. She is definitely on my list of favorite authors. I can't wait until her next book. Julia, if you read the reviews, how about writing Arthur's story (Alex's brother). I sure would love to see him smitten by love. Keep it up Julia, you do know how to capture a reader's attention!0 von 0 Kunden fanden die folgende Rezension hilfreich. Definitely a tear jerker - but not my styleVon Ein KundeThis is my first Julia London novel. I picked the book based on the reviewers comments. It is a well-written book full of tension and torment. Although I love both Alex and Lauren, I was so tensed over the over-bearing sense of duty and responsibility they each felt that I couldn't really enjoy the book. On one hand, the book kept me reading until I finished it in one sitting, but it really moved too slow for my taste. It has beautiful moments between the two of them, but lacked humor throughout. I agreed with one reviewer that it seemed to take the two such a long time to get together that It almost forced me to skip pages. I thought the supporting characters could have been a little funnier to balance off the desparate main plot. If you the sort of reader who enjoys lots of sexual tension, sad feeling of bad timing, a good cry... this would be a book for you.0 von 0 Kunden fanden die folgende Rezension hilfreich. FANTASTIC!! COMPLEX, EMOTIONALLY POWERFUL LOVE STORY!Von Ein KundeI wasn't sure Julia London could top The Devil's Love--boy was I wrong! The love story between Alex and Lauren unfolds with riveting emotional intensity. You feel every bit of what the hero and heroine feel, and when they find their happy ending you want to stand up and cheer! The secondary characters are complex as well, no simple villains here. Ms. London creates believable, empathetic people in a fashion that shows she has a keen understanding of human nature. Now where is Magnus' story???? You can't keep me hanging! Fantastic job Julia! Now you just need to write faster...

KurzbeschreibungForbidden love is always a scandalous choice....She raced across the pasture, vaulted a fence, and landed, stunned and breathless, on top of the most handsome man she had ever seen. The bemused stranger stayed to capture the fancy of the brood of orphaned children in her charge, then stole Lauren Hill's heart with a searing kiss as he left. Lauren couldn't tell him she was a widowed countess fallen on hard times. She tried to forget him--until she saw him again at a London ball. The man who haunted her dreams was a duke, out of her class...and he was pledged to another woman. The ton is ablaze with talk of the ravishing Bavarian countess. Stunned, Alexander Christian, Duke of Sutherland, recognizes Lauren as the country girl who's captured his heart. Duty has forced him to pledge himself to another, to take his proper place in society and in Parliament. He wants one night with his blue-eyed enchantress, but will he be able to walk away from her again, or will he risk it all to be with the woman who fires his blood and makes him think of a . . . Wicked Angel.From the Paperback edition.From Publishers WeeklyLauren Hill is about to be married off to the highest bidder once again by her greedy guardian, who is livid that she gave up her late husband's fortune. She tries to stop his matchmaking schemes by going into trade with the local villagers, but her estate is in dire straits and she needs a cash infusion. Lauren's guardian blackmails her into agreeing to spend a season in London and eventually get married. The ton is enchanted with the beautiful Countess Bergen (her official, if empty, title). Lauren, however, is disappointed with the men, especially when she compares them to a certain kind and generous country gentleman she met briefly that summer named Lord Alex Christian. No one is more surprised than she when Christian turns out to be none other than the aloof, influentialAand engagedADuke of Sutherland. Despite his duties and responsibilities, Alex breaks his engagement for his new love. Yet Lauren cannot bear to bring scandal to the man she loves and becomes engaged to another. London (The Devil's Love) fails to enliven an overused plot in this lukewarm Regency.
