Von Olivia Cunning : Wicked Beat (Sinners on Tour) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wicked Beat (Sinners on Tour):

Not as perfect as volume 1 and 5, but still great!Von JohannaThe fourth book in the Sinners on Tours series definitely has the hottest cover. I'm totally into those colors! You should definitely read the books in order to not spoil the reading fun (Backstage Pass, Rock Hard and Hot Ticket belong before this book). I was a little bit reluctant to pick up this book at

last, because I hadn't been into Eric Sticks before. His fetish of watching all those other couples, of basically being a pain in the ass was so annoying. He felt dispensable most of the times. Yet, I was surprised. Cunnig somehow pulled it off to make him look cute and adorable. His habit of blurting out everything that's on his mind was just plain necessary for Rebekah. She's had much pain in her past and she just loves that Eric is always downright honest with her. She can even laugh about his silly jokes where everyone else (including myself) just rolls their eyes. Rebekah was quite insecure of herself and her body in the beginning but soon started to discover her kinky side. The first half of the book concentrated only on the couple and their "interactions" which was almost too much for me. It read like an endless sequence of very hot but sometimes pointless lovemaking. It seemed the author had lots of ideas about how two people can dress up and how inventive they can be with each other. I loved that but some more plot would have been even better. I especially would have liked to read more about her job in the band because I don't know much about the special tasks of the roadies or how things really work backstage. The second half of the book was better. Here we got some twists and turns which made the whole thing interesting, not unpredictable but a bit more spicy. And my little darling Trey had a very special role in this book that I don't want to elaborate on because you just have to read for yourselves. I couldn't help but put a quote about him that is oh so true in the quotes section. I really hope there will be more books in the Sinner's universe. I'm just not ready to let them go yet. Maybe I'll start rereading Brian's book when the withdrawal symptoms are just too harsh. I'm so glad I found this series on Goodreads. Everyone who's into erotic romances should read it asap! :) 1 von 1 Kunden fanden die folgende Rezension hilfreich. sexy reihe - gutes Paar Von Lesepass Die sinners sind sexy. Das 4. Buch der Reihe bringt mitn Becca eine interessante neue Figurein. Man hat sich ja schon gefragt, wer woll passend fr Eric sein knnte.... Fans der Reihe drfen sich auf eine tolle Folge freuen, die alten Freunde sind wieder da und entwicken sich weiter, und sehr sexy ist es auch wieder.... Ich gebe 4 Sterne fr eine schne geschichte.

Kurzbeschreibung Book 4 of The Sinners on Tour How far out are your fantasies? When Rebekah Blake accepts a position as Sinners' new soundboard operator, she's determined to seduce the band's rhythm guitarist, who she's always had a crush on. With her self-esteem in tatters after cancer treatments, Rebekah craves someone's interest. But Trey Mills only looks good to Rebekah in theory. When he can't give her what she needs, who will step in? From the moment he lays eyes on Rebekah, Eric Sticks is completely smitten. It's as if fate dropped his perfect woman right in his lap. He showers her with attention. He wants her. Desperately. When he finally gets her, the pair of kinky lovers will have to overcome their inner demons if they want to take their relationship to the next level...
