This time she is back to pestering the Mackenzies. Now running a candy store - well, sex and chocolate do go so well together - Sparkle had targeted Eric McNair. She knows secrets about McNair - one that he is really Eric Mackenzie, he loves chocolate, is one of three "brothers" who run the Castle of Dark Dreams, and the brothers are not really brothers. She also knows Eric is a vampire. But then vamps have such a special spot in Sparkle's heart - and libido.Castle of Dark

Dreams is a yummy new attraction in Live the Fantasy - sort of a romance Fantasy Island, just minus Tattoo! Live the Fantasy is a theme park, but this ain't no Six Flags Over Texas. This theme park is where women who dare, who want to do more than just read about fantasies can experience them. They can take "role-playing" to a whole new level! Castle Dark is run by Eric and his two "brothers" Connall and Brynn. Hot on their trail is talk-show host Donna Nolan. She heard whispers about Castle of Dark Dreams and smells a great scoop, just the sort of sexy, titillating story that will up the ratings and satisfy the always hungry listener of her show. But when she faces the mysterious, sensual, drop-dead (literally...lol) Eric and looks into those cold blue eyes, her job is the last thing on her mind! Sparkle has decided Eric is too lonely for a man who should have "too tempting to touch tattooed across his chest", and is more than willing to lend her talents to see this situation changed. When she tells Eric, "think of me as your very own fairy godmother", the Mackenzie vamp should give up the fight because Sparkle knows best! Wicked Nights, obviously is the first of the "brothers" of Castle of Dark Dreams tales, following Sparkle and Ganymede through their cosmic mischief making. Dorchester re-released Master of the Night, and just out Night Bites (March 2005) as ones you will not want to miss in the series...Bangs, is sharp and just gets sharper. The "biting" humour, the sexy, steaming tales are addictive, leaving us breathless and eager for more Night tales!!!!!! Please note while Master of the Night and Night Bites are Dorchester's Love Spell, new Night Tales will come from Berkley with the start of Wicked Nights, and is a move into Trade Size books. In a market with vamps around every corner, Bangs gives you more "bang for the buck" in this racy, sexy, sizzling hot tale. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Witz, Sex und Rock'n Roll Von Macro Enthl alles, was ein flotter Vampirroman braucht! Die Protagonisten sind heiß, die Personage phantasie reich, das Ambiente albern, aber für alles Unstimmigkeiten dehnbar und die Unternehmensform des Schlosses in Zeiten der Finanzkrise ein echter Hinderker! Absurd witzig ist vor allem der Kater, seine Diktion und seine eindeutigen Präferenzen. Die folgenden Bände entsprechen dem Muster, wobei die Lustigkeit noch eine Steigerung erfährt, wenn es um die Paarung zweier Elektronikgeräte geht: das muss man dann gelesen haben. 5 von 8 Kunden fanden die folgende Rezension hilfreich. Belgian Chocolate Von Ein Kunde This is the one novel I prefer. Lots of fun, full of humor, sweet heroine and a real "Alpha Vamp/man" full of emotions for a heartless guy. Thanks for Asima. I have a black cat which is a real challenge. Same attitudes as Asima, wiser than humans sometimes and so funny. I prefer Sparkle without her "Golden God". She's really something, that girl. Now I am curious why Asima is so emotional when it comes to Donall and it would be a nice thing to have the beautiful Love-Slave/Demon Brynn falling in love with a very non-sexy woman. Would he resist? Would the curse work? Anyway, thanks for the fun and the strange looks of people upon me when I start to laugh in the train. Quizzical looks ???

Kurzbeschreibung From New York Times bestselling author Nina Bangs comes the first book in her sizzling Castle of Dark Dreams series. Welcome to the Castle of Dark Dreams, the yummiest attraction in an adult theme park where women take erotic role-playing to new heights with only the most dangerously tempting men. Okay, so they're not quite human, but that's a secret. Tonight, Eric, the castle's resident vampire, will prove that he's everything bad should be. Talk-show host Donna Nolan on the lookout for a weird and wacky story finds it when she braves the Castle of Dark Dreams and meets Eric. With the coldest blue eyes and the hottest mouth she's ever seen, he has a primitive call to the wild in every woman. Love between a talk-show host and a vampire shouldn't be possible. But then, strange things happen in the Castle of Dark Dreams... From Booklist New York radio talk-show host Donna Nolan didn't believe in lust-filled creatures of the night until she visited the Castle of Dark Dreams. Run by Eric, Brynn, and Conall McNair, the castle, set in an adult theme park in Galveston, offers adults the opportunity to indulge in a bit of sexy role-playing. All three of the McNair brothers play different characters in the daily fantasies offered at the castle, including "Eric the Evil," a vampire quite popular with the ladies. What most visitors don't know is that playing a vampire comes very easily to Eric, since he has had centuries of personal experience. The last thing Eric needs is a talk-show host snooping around and broadcasting the McNair brothers' secrets, so Eric decides he will just have to keep Donna busy doing other, much more satisfyingly sexy things. Bangs deftly leavens her potently sensual writing with just the right amount of biting humor, and delivers exactly the kind of deliciously sexy vampire hero paranormal romance readers crave.
