**Von Kat Martin : Wicked Promise** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wicked Promise:

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. This author knows how to write Von Ein Kunde Late in the eighteenth century, Nicholas Warring, the fourth Earl of Ravensworth, is convicted of murdering Stephen Hampton. As he spends the next seven torturous years as an

indentured servant in Jamaica, his wife and all the Ton abandons him. When he finally returns to England in 1801, he lives a life of debauchery, almost as if there will be no tomorrow. However, Nicholas' lifestyle abruptly changes when he becomes guardian to Elizabeth Woolcott, who needs his protection from the unwanted overtures of Oliver Hampton, whose testimony convicted Nicholas. Though he wants no part of the innocent chit, Nicholas knows how perverted Hampton is, so he takes the lass and her aunt into his home in order to protect her. Though his plan is to marry her off to a decent man in the the ton, Nicholas and Elizabeth fall in love with each other. However, he remains married and Oliver is a force that must be reckoned with before the pair can hope to find happiness together. **WICKED PROMSIES** is a typical Regency romance that receives the special Kat Martin treatment of turning it into a fresh reading experience. The lead protagonists are a wonderful pair, especially Nicholas. who must overcome his trauma from his time spent in the colonies if he wants a loving relationship. The villain is as odious as they come and adds a touch of wickedness that promises to keep fans of the sub-genre spellbound throughout the novel. Harriet Klausner

Von Ein Kunde I think "Wicked Promise" was a very exciting book, it tell how loves conquer all. 1 von 2 Kunden fanden die folgende Rezension hilfreich. An enjoyable read  
Von Ein Kunde Like most of the reviews previously written, I am a big fan of Kit Martin, and have enjoyed her older books more; but this book held a soft spot for me. It was not your typical lovers-meet-have-a-misunderstanding-and-make-up story. The characters are well defined and grow with each other, which I found refreshing. The story itself was rather predictable, but I would recommend this book as a good read.

Kurzbeschreibung A Lady's Desperate Choice  
In Wicked Promise by Kat Martin, when the loathsome Lord Bascomb tries to force her into marriage, Elizabeth Woolcot, against her will, must appeal to her influential guardian. Nicholas Warring, known as the Wicked Early, is a darkly handsome charismatic figure--with the power to save her but a past that could put her reputation dangerously at risk. A ruthless womanizer, he has also been convicted of murder--and barely escaped hanging. A rogue's tainted honor Elizabeth can't help her attraction to the man who haunts her dreams--nor he his hunger for her. But she knows it can never be. For Nicholas is a married man. Then a heinous crime shatters their lives--and Nick is the natural suspect. Elizabeth wants to believe in his innocence more than life and love itself--but can she trust a man who has killed before?
