KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quirky and funVon KH BrownI love this series! Ms. Evans has managed to create fun, quick reads that are wonderfully

entertaining. Full of quirky characters, humor, romance with a bad boy, and great action, I found myself laughing out loud while I thoroughly enjoyed reading about the characters and wondering what would come next. I can't wait for more from this author.

Kurzbeschreibung Witches Anonymous, Step 3 In this continuing novella series, as reformed witch Amy Atwood wrestles with completing the third step of Witches Anonymous turning her will over to a higher power she's counting the days to her six-month magic-free anniversary. However, when Gabriel steals half her soul, claiming she cast a spell on him to keep him from returning to Heaven, the odds of her sticking to her magic-free oath shrink. He demands she break the spell keeping him Earth-bound or he'll kill her and damn her soul for eternity. But Amy's not about to go down without a fight. Having once been the Devil's right-hand witch, her soul's already bound for Hell, and while Gabriel now owns half, the other half belongs to Lucifer and Amy knows exactly how to use Luc to stop Gabe. While Amy will do anything outside of using magic to reunite the halves of her soul, the powers of good and evil also control her free will. As she works to uncover the real witch behind the spell holding Gabriel prisoner, she finds herself back in Lucifer's arms and her Witches Anonymous goal spinning further and further out of reach.
