Von Eve Langlais : Wickedest Witch (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wickedest Witch (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. cute story but lacking a satiscing plotVon NewbeeThere's more potential in deepening the plot of the job. In this story what usually is the side story, namely the development of the relationship is actually the main story and the plot which brings them together is an undeveloped side story. It was still a cut read, like an afterdinner mint.0 von 1 Kunden

Von CustomerEve Langlais has a number of different series that she writes. You can find something for yourself no matter how your tastes run. This book has amusing characters who aren't what they seem at from the first impression, family rivalries, sex, slight suspense and a slight mystery. Don't expect high literature, this is snack food reading.

KurzbeschreibungThank you for engaging the services of Wicked Incorporated, where the insults are given for free.Evangeline is not a very nice witch, and shes not afraid to show it. Her ruthless nature comes in handy as a problem solver until she lands a job where shes forced to work with an uncouth shifter. Hes rude, cocky, totally unsuitable, not to mention part animal, but despite it all, she cant help craving his touch. Ryker is big, bad, and brash. When hes partnered with a curvy witch, he does everything in his power to fight her allure. And fails. But hes not too disappointed as he discovers wickedness has its uses, especially in the bedroom. Vampires, a wedding from hell, and a cackling boss named Rumpelstiltskin make this an adventure packed, humorous paranormal romance sure to make you smile.
