KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Powerful, moving, and evocative!Von denniesx@aol.comPatricia McLinn tells a great story, and WIDOW WOMAN, set in the 1880s Wyoming Territory, is a prime example of her considerable talents. The passion between Rachel, the widow woman determined to save her ranch, and Nick, the loner cowhand with dreams of his own, is incredibly powerful. McLinn's mastery of the perfect phrase and her ability to evoke the senses and emotions brings the country

and its people alive and makes the reader fall in love with them. A wonderful book and a DARN GOOD read.

Kurzbeschreibung "A strong woman, a dark tormented man, and a love as fierce and irresistible as the Wyoming wind. 1880s Wyoming Territory-- As strong as the ranch she runs, widow Rachel Terhune has one dream to fulfill the legacy she inherited from her father. Hiring Texas cowboy Nick Dusaq has nothing to do with the fierce pull between them and everything to do with saving her land. The solitary cowboy newly arrived in Wyoming after bringing in a cattle drive, recognizes a kindred heart scarred by cruelty. He would ride away he should ride away if only her ranch didn't need him so damned badly. Her ranch not the widow woman like none he's encountered before is the only need he'll let himself consider. Because he knows he's not a man entitled to any second chances of the heart. Passion as powerful as the harsh beauty of the land around them bonds Rachel, the widow woman devoting every bit of her strength and courage to holding onto her Wyoming Territory ranch, and Nick, the loner cowhand with dreams of his own. Yes, they have passion. But does it hold the promise of healing and love ... or the destruction of dreams? - - - -A richly textured Western about a strong woman, a dark tormented man, and a love as fierce and irresistible as the Wyoming wind. -- Mary Jo Putney, New York Times bestselling author One of the most entertaining and interesting western historicals I've read in a long time. -- The Romance Reader "A moving confirmation of the healing power of love" -- Romantic Times "Incredibly powerful" -- 5-star review "Wow!... a romance that sizzles!... Powerful love story... Excellent!" -- Rendezvous "Splendid!" -- Bell, Book and Candle "An unforgettable read" -- 5-star review "Two love stories in one book ... sweeter than Nick and Rachel's, but just as moving." -- 5-star review "Another great story from Patricia McLinn." -- 5-star review "The story was beautifully written and though you thought you knew what would happen, you find yourself surprised" -- 5-star review "I sure wish ratings allowed higher than 5." -- 5-star review "The characters are so real you come to know them personally. It's a book you won't want to end." -- 5-star,
