Von Kenny Wright, Max Sebastian : Wife Sharing Shorts, Vol. 1 (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wife Sharing Shorts, Vol. 1 (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. most of the stories are amazing Von Volker Barth like always, kenny wright is a master of telling stories in a really erotic and believable way. max sebastian is also a good author but for me, he pushes the humiliation of the men to far. why do husbands always have to except, that their wives want to have other cocks? in his mind, all women are just lust

craving persons and all men are poor cuckolds. do stories allways have to end like that??
