Von Joanne Rock : Wild and Wicked before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild and Wicked:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. an OK readVon Ein Kundewe've got a typical best friends-turned-lovers scenario here. Kyra seduces her best friend Jesse, who is proud to have kept HIS thoughts pure concerning her for years. It's seems a little too far fetched that Jesse is the one playing hard to get but hey it does make the story interesting. There's also a subplot where one of Jesse's old flames rears her ugly head and tries to win him back but inadvertently falls for another of the male characters, who is a nice guy. All four characters are too boxed up into stereotypes but there is of course a nice and happy ending. Again

it's a nice read but it does miss the sizzle from other Blaze books.

Kurzbeschreibung Kyra Stafford is tired of being overlooked by her best friend--and local bad boy--Jesse Chandler. She needs to get him out of her system so that she can move on. And burning up the sheets for a night...or two...should do the trick. Since he's not noticing her subtle seduction, she's getting obvious. Capturing him at a local festival and making him trade sensual favors for his freedom should convince him to get a little wild with her. Jesse may have earned his bad-boy reputation but he's proud of one thing--he's never seduced Kyra. Then again, she's never abducted him before. When she states the terms for his release, he can't see past her sexy self to resist. By the time their steamy night is over, Jesse just can't let her go. Too bad she's not listening to any talk about commitment. Looks like he's going to have to use a little wicked persuasion....
