GroveReviewer: Ingrid Stephanie JordanGenre: #PRN #BearShifters #Hybrid #HEAMy Score: Book 10 Stars Series 100 Stars But alas I can only give 5 StarsWow this is turning out to be a great series, I thought Book One was good with Chief and Juliet but Ms. Grove's characters were two abused kids that befriended each other in high-school making each other strong to carry on, to survive. Tragic at first but uplifting as they both conquer their fears. Chef Shane Keenan aka: Wild Bear is a Grizzly Bear Shifter, Ex Navy Seal, a Master Chef and if that not enough he is on the Bear Rescue Team. His Alpha Chief Bear aka: Levi didn't really want to hire him because Shane's couldn't control his Bear and you never knew when he would take over there were humans at Fate Mountain Lodge. Shane decided to prove that the Match Dating App wouldn't work because he had a secret..... He already knew his fated mate.Lily Mason is a human, working as a waitress in a greasy spoon diner. She moved back to Fate Mountain, so her 5 year old hybrid shifter son, Theo so he would grow up around shifters. After years of knowing Theo's dad, their first and only night together, she woke up alone, he was gone and never came back. Lily was heart broken especially since he told her she was his fated mate. I was gifted this ARC for an honest and truthful review.

KurzbeschreibungA bad bear Shane Keenan has survived everything life's thrown at him. Growing up with an abusive stepfather who broke his brain left Shane unable to fully control his shifts. He went from famous chef to being forced to fight in a human war because of the wild bear inside him. Now he's finally back home on Fate Mountain -- and his toughest challenge yet is waiting. Bruised hearts ...Lily Mason has her own scars from growing up with an alcoholic mother. She's loved Shane for years, and when a human/shifter dating site pairs them, she finally tells Shane the shocking truth about their last night together. Shane can't risk being around Lily or her son Theo, not when he can't control his bear. But Lily knows she and Shane are true mates -- and she's tired of waiting for him to claim her. Fateful choicesWhen Theo runs away, Shane knows he'll do anything to bring him back. Can he find a way to heal his bear, save the child and persuade his mate to give him another chance?KurzbeschreibungA bad bear Shane Keenan has survived everything life's thrown at him.
