Von Lori Brighton : Wild Desire (Zebra Debut) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Desire (Zebra Debut):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Surprisingly goodVon Helen HancoxI came across 'Wild Desire' as a free download through Kindle and thought I'd

give it a go. I didn't really know what sort of book it was likely to be and, as it's an electronic book without any back cover blurb, looked forward to unravelling the story. I was very pleasantly surprised. This story was a part-romance, part-paranormal, part-historical book with a wide variety of scenery, characters and events. Heroine Bea was appealing, changing from a rather whiny girl to a bold, courageous woman during the book. Hero Colin appeared on the scene in less-than-optimal senses, drunk and climbing into Bea's bed, and I wondered initially if the book would be a sort-of slapstick series of events. But no, it developed into an interesting and well-plotted story as Bea and Colin find themselves trying to make their way to safety in India after they are attacked. I love books set in India and this one didn't disappoint. Although the author didn't spend a great deal of time describing location and smells, I still got a good feeling for India. Colin was a very interesting hero as we slowly uncover that he's not quite your average man, having a special ability which he uses to help others at some cost to himself. Bea, too, finds herself in the midst of a race to find a statue, without initially realising that her blood is the key. This is a fairly relentless story with little time for hero and heroine to relax. The romance was well played as Colin and Bea find themselves relying more on each other and learning more about one another. I found the romance convincing and this is so often not the case with modern books. One slight reservation was that the baddie was dispatched in a rather easy and unconfirmed way, although I wonder if he might reappear in other books and this is why his death was underplayed. This was the first Lori Brighton book that I've read but I enjoyed it - especially bearing in mind that it was a free download! I recommend it to others who like interesting and fast-moving historical romances.

Abenteuergeschichte im Indien von 1857 Von Merle Die Geschichte ist der gelungene Mix eines Abenteuerromans mit weiblicher Heldin, Historical und bernatlichem Touch. Die Handlung findet in Indien im Jahre 1857 zwischen Delhi und Bombay statt, es hat Aufstnde gegen die englische Besatzungsmacht und Morde an Engländern. Die abgeschieden in Schottland aufgewachsene junge Adlige Beatrice Edmund reist mit ihrem Cousin und seiner Frau nach Indien, sie will endlich der Enge ihrer Heimat entfliehen. Dort macht sie bereits am ersten Abend ungewollt intime Bekanntschaft mit dem Gastgeber und muss bereits am Tag danach mit ihm durchs Land fliehen, da sie mit dem Tode bedroht werden. Erst mit der Zeit erfährt Bea mehr über die Hintergründe, machtvolle Statuen sollen eine Rolle spielen, ihr Blut soll dazu dienen, deren Macht hervorzuholen und sie lernt einen besten Mann kennen, der anscheinend unsterblich ist. Das Buch ist gut geschrieben, langweilig wird es nicht, die Helden rennen von einer gefährlichen Situation in die nächste. Aufgelockert wird das Ganze durch eine sich langsam entwickelnde Romanze, deren Ausgang lange unklar bleibt. Die Entwicklung der Charaktere ist gut nachvollziehbar. Spoiler: Unklar bleibt, wieso Demyon ihren Aufenthaltsort immer so schnell herausfindet und was er eigentlich ist. Die Hintergründe der Schatzjagd werden auch nie erklärt, ebenso wenig wie die Herkunft von Bea, weshalb gerade ihr Blut so mächtig sein soll. Das ganze Buch lang wartet man auf die Erklärungen dazu. 3 1/2 Punkte.

Ramer Prim Scotswoman Beatrice Edmund has accompanied her cousin and his bride to India, where they'll stay with the bride's studious cousin. Her first night there, a drunken man invades her bedroom as she's bathing. He turns out to be the studious cousin. The action and danger continue as she helps Colin Fitch try to keep the villain from getting his hands on an artifact that gives the finder great powers. This was a triple treat - a love story and an adventure with paranormal elements. It's Indiana Jones meets a proper Englishwoman who isn't all that she seems. And neither is he. I found the evocative, and edge-of-the-seat story kept me reading into the night.

Kurzbeschreibung First He Drove Her Mad In what feels like a moment, Beatrice Edmund goes from being a proper lady cooped up in a stuffy Scottish castle to traveling miles from anything she's ever known, in the midst of the wildest adventure of her life. And at the center of that adventure is the most infuriating, puzzling scoundrel on earth. She cannot take her eyes off him. Then He Drove Her Wild Colin Fitch cannot deny he's drawn to Beatrice--but lust is all he could possibly feel for the sharp-tongued minx. Still, if there's a chance she can help him stop the madman he pursues, he must withstand her obvious disapproval. Yet withstanding the longing he feels for her is growing more troublesome by the second. . . And Colin has never been terribly good at staying out of trouble. . .
