Von Jane Bonander : Wild Heart: Blazing Frontier - Book Two (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Heart: Blazing Frontier - Book Two (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Somewhat predictableVon Kindle JunkieIt's the usual fare of the protagonists assuming the wrong thing and not bothering to really ask, e.g. Wolf assumes Marymae is Julia's daughter, Julia assumes Wolf has slept with her sister,

whereby she repeatedly ponders this, but doesn't ask him. Otherwise a fine read with good grammar.

KurzbeschreibungLiving as a spinster and caring for her sister's illegitimate child, Julia Larson has never known passion. So she's surprised by the feelings that are stirred up when a secretive new ranchhand shows up to work on the Larson ranch. He's not a man she can trust, but as a violent fight for her land's water rights heats up, he may be the man she needs.Wolf McCloud charms the ladies, but never sticks around long. Having traced the mother who abandoned him to Northern California, he never expects to be drawn to Julia Larson as more than a means to an end. Wolf wants to track down his past, but the possibility of a passionate future with Julia may be a call too rich to resist.KurzbeschreibungLiving as a spinster and caring for her sister's illegitimate child, Julia Larson has never known passion.
