Von Virginia Henley : Wild Hearts (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Hearts (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Pretty good, but definately not her bestVon Tracy TalleyI admit it was kinda hard to get through the beginning and parts of the middle, with all the battles going on and wondering why. I wish the character of Anne was brought more to life and included more in the story. And I never really understood why Margaret was so hateful towards everyone in the

family? I love all Henley's books, she is a very talented writer. Raven and the Rose and Falcon and the Flower are still my favorites by far. 0 von 0 Kunden fanden die folgende Rezension hilfreich. VERY BORING!!! STUPID DIALOGUES, TOO!!! Von Ein Kunde Actually, I give this piece of crap no star at all but .com doesn't allow me that option. This is the worst book I've ever started to read. I can't stomach the dialogues. They are very dry and uninspired. The author writes the dialogues between the characters as if they were little children. The characters talked using simple sentences and the author didn't even bother injecting any flavor of the language during that period. The characters, males and females, are all silly and frivolous. This is A TOTAL WASTE OF HARD-EARNED MONEY!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not her best by a long shot! Von Ein Kunde I was quite dissatisfied in this book and a little surprised. Ms. Henley is one of my fave's. While I do agree that this book was a little hard to get through, I wouldn't be as harsh as the previous review. I kept thinking that any minute it would get good but that minute never came. Definitely not what I have come to expect from Virginia, however, I have read several awesome books of hers and will continue to look for another in the same league as Raven and the Rose.

Kurzbeschreibung Beautiful Tabby Lamont is given in marriage to the wealthy man who takes her out of an Edinburgh orphanage. Her real identity is hidden in the past. Suddenly, her future is filled with dangerous intrigue when she is kidnapped on her wedding night by Paris Cockburn, a Scottish Border Lord called The Rogue. Her resolve never to submit to the bold abductor melts before the sensuality of the brazen Rogue who keeps her captive at his remote castle. A dark secret sweeps them toward a blazing destiny of violence and when two wild hearts become one forever.
