Von Detra Fitch Cameron saw himself floating toward a light and then suddenly opened his eyes with no memory. Somehow he knows that he is in the wrong century. His dreams tell him of being in an automobile and of a screaming blond woman. Yet he is in Scotland and the year is 1468. His beautiful wife is Marjory. She is full of spirit and loathes him! He resides in Crannag Mhr with no one he can trust. Marjory is grateful her husband survived the "accident". If he had not, the Cameron clan would have slaughtered her people. However, her husband has not been the same since he woke up and claimed to remember nothing. She is surprised to find herself liking the new Cameron and begins to fall in love.**** I am so used to Dee Davis writing Romantic Suspense novels that this one stunned me for a few pages. This time Davis tries her hand at a Historical Time Travel and her talent for suspense makes it a clear winner! Wonderful story by an awesome author! ****0 von 0 Kunden fanden die folgende Rezension hilfreich. Fr alle Liebhaber des Zeitreise-Genres eine kurzweilige, packende Geschichte! Von Simone Oliver Nicht das beste ihrer Bcher (das war meiner Meinung nach ihre erstes), aber trotzdem spannend. Interessant sind die immer variierenden Ideen, wie der Zeitreisende in die Vergangenheit katapultiert wird und warum. Die Geschichte bleibt kurzweilig, auch wenn die Charaktere nicht sehr tiefgrndig dargestellt werden und die dargestellte Problematik der Clan-Konflikte sich am Ende etwas zu einfach in Wohlgefallen auflsen.

Kurzbeschreibung Trapped in a loveless marriage, Marjory Macpherson rejoices at the news of her husband's death, only to find that he is, in fact, very much alive. Marjory has spent her life hating the Camerons, waiting for the day that she can avenge her father. Now suddenly, she finds herself inexplicably drawn to a man who is the enemy. Cameron Even awakes on the side of a Scottish mountain trapped in another man's body. Despite evidence supporting his fifteenth century existence, Cameron is faced with the fact that the few memories he does have clearly depict a different kind of life, one that will not exist for another five hundred years Put the soundtrack to Brigadoon on and enjoy the ride. Ms. Davis has delicately crafted a beautiful story that will leave you wanting more. -- Huntress Book s Kurzbeschreibung Trapped in a loveless marriage, Marjory Macpherson rejoices at the news of her husband's death, only to find that he is, in fact, very much alive.
