Von Bertrice Small : Wild Jasmine (O'Malley Saga) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Jasmine (O'Malley Saga):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Took me to another worldVon Ein KundeThis novel got my attention because of it's setting in India (I am of Indian descent). It

was my very first historical romance, and it was not a disappointment. I was initially taken aback by Small's descriptive sex scenes, but I quickly found that I enjoyed them. Jasmine is an intriguing character, although spoiled and not a very attentive mother. Since I had not read any of Small's previous novels, I took this one for the story itself, and I truly loved it. After reading the other novels in the O'Malley series, I do find Skye to be a much more likeable character, but I loved Wild Jasmine all the same. Since I read that, I have read about seven of Small's other novels, and I liked each one for her ability to tell stories so wonderfully, making me feel as if I were actually there. I strongly recommend any of her novels.0 von 0 Kunden fanden die folgende Rezension hilfreich. Stripes: the romance novel Von Ein Kunde Ok, I hope everyone reading this has seen the movie "Stripes." "Stripes" begins wild and hilarious, but then an assanine plot is introduced and the movie goes to pot. Such is the case with "Wild Jasmine." This book starts out great. Yasaman is a young girl who is pursued by her half brother, Salim. She is still young and innocent, he is a lusty monster. Their incestuous moment together is one of the most sensual passion plays I've ever read. Yasaman goes on to marry another man and their relationship is fiery, passionate, and beautiful. Yasaman reveals herself to be very strong-willed and complex. After her husband dies, the book turns bad. She has a succession of husbands/lovers that also die. The book focuses on sex and lust at the expense of character development. Yasaman grows up far too suddenly and loses her fiery qualities. I could not give this book a one because I enjoyed the beginning far too much. This book and its heroine had such promise and potential. The later developments soured my feelings toward them both. However, the first part was extraordinarily delicious and shouldn't be missed. I recommend that Beatrice Small/historical romance fans read the first part of this book and then return it. Make up your own ending, its much more fun. Yasaman was a great character, but Ms. Small couldn't take her anywhere. The Skye O'Malley saga has finally run out of steam and Ms. Small can only write about sex -- even that is old and tired. Romance novels require more than just sex to keep my interest. I believed that "Wild Jasmine" was going to be a well-rounded book, but I was greatly disappointed.0 von 0 Kunden fanden die folgende Rezension hilfreich. I loved it! Von Kama'aina 'O Hawaii Bertrice Small has outdone herself again. The story of Jasmine de Marisco has been engrained into my thoughts. It was so good because Jasmine falls in love over and over again, then she couldn't wed Prince Henry and that's what made it a tragic love story...and what happened to Rory Macquire? Well I hope I find out in the sequel, since I didn't like the ending too much, but on the other hand, I think Ms. Small was always planning to make the sequel. And using Catriana and Patrick Leslie's son Jemmie (which I love the book "Love, Wild and Fair") I haven't read enough of Bertrice Small's books and I have a feeling that many of the characters link together some way or another, which is great since when I read a story, I don't forget, and it pleases me for her to mention another heroin/hero from one of her previous novels. Bertrice has a way of drawing you in and keeping you enthralled with her stories. Wild Jasmine made me laugh and cry as well as dream. I ! wish they could make movies of her books. Keep them coming and I look forward to the sequel of Jasmine de Marisco's adventure with Jemmie Leslie, Earl of Glenkirk..the Glenkirk Chronicles. Kalaniku

Kurzbeschreibung She lived and loved with fierce abandon, surrendering to the deepest pleasures of passion . . . Princess Yasaman had been blessed with rapturous beauty, fierce intelligence, and an innocent sensuality that captivated two formidable men -- her scheming half brother, Salim, and her loving husband, Prince Jamal. But her days of bliss and nights of steamy passion were shattered when Jamal was murdered, and Yasaman fled to England and the court of James II. Calling herself Jasmine, there she would be reunited with her gloriously beautiful mother, Velvet, and her grandmother, the legendary Sky O'Malley de Marisco . . . #1 bestselling author Bertrice Small has outdone herself with this long-awaited sequel to THIS HEART OF MINE. WILD JASMINE is a novel of high romantic adventure that spans two continents, taking us from exotic seventeenth-century India to the scandalous court of James Stuart -- two enticing worlds teeming with colorful characters and consuming desire . . . From the Trade Paperback edition. Kurzbeschreibung She lived and loved with fierce abandon, surrendering to the deepest pleasures of passion . . .
