The trilogy's finale is a very satisfying wrap-upVon MinaNote: this being the last book in a trilogy with an overall story arc makes it not the best place to start reading. I recommend to start with Exit Strategy.ReviewIf you've followed the part-

time hitwoman/lodge-owner Nadia Stafford up to this point, you know that there are lots of open questions, about both her past and present time, needing answers. And these bring unfinished business, too. So the very good news is: things come to a head and are wrapped up in the best possible way. The case of Nadia's murdered cousin, Amy, is finally laid to rest and it took a few dramatic [if not all surprising] turns, while Nadia, Jack and Quinn were on to it. But boy, did this solution fit the character of both Nadia and the crime. Also, the near love triangle [near, because wasn't ever really one] is finally dissolved for good. And in a believable, yet painful way. I loved the outcome. And I was so happy that there was much less annoying Evelyn to suffer. Her appearances were kept short and less annoying. Overall, this was a great end to this atmospheric and entertaining crime/mystery series. Since there is a novella following this last book in the trilogy, I don't have to leave Nadia's world immediately. But anyway: Wild Justice was all, I wanted it to be. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super neue Serie! Von Kathrin Schu Hat mir gut gefallen. Viele Wendungen, Weiterentwicklung der Charaktere, eine Geschichte aus Nadias Vergangenheit wird aufgelöst. Prima geschrieben. Ich hoffe, es kommen noch mehr Teile :) 1 von 1 Kunden fanden die folgende Rezension hilfreich. loved it Von Simone Haeseler This really is a Great Book, like almost ever Book from Mrs Armstrong. Easy read, Good Plot and I was rooting for Jack Since Book One. Great Job Kelley

Kurzbeschreibung Ex-cop Nadia Stafford has a dark secret. After taking the law into her own hands she was kicked off the force... and entered the shadowy world of guns for hire. She has her own strict code - works only for one crime family, only kills the really bad guys. But when a hit goes tragically wrong, Nadia is devastated. Is it time to leave the business for good? Before she has time to decide, Nadia discovers that her own life is under threat. And worse - that terrifying events from her past may have triggered the attacks. With the help of Jack, her enigmatic mentor, Nadia is forced to upon a dark path - towards the truth and towards her final destiny. Pressestimmen Nobody co-mingles genres like Kelley Armstrong. A bushel of fantasy, a peck of crime, a dash of romance, and you have a recipe for a bestseller. The Globe and Mail Werbetext Wild Justice: the dramatic finale to the Nadia Stafford trilogy.
