and how he does! Not only to protect, dominante and fall in love with Isabella, but also to make your panties melt!When Cam finally agrees to teach Isabella everything, little did he know how this would turn his world upside down even more. He's more than willing to walk her through this step by step. Earning her trust by holding back himself. Showing her what submission really means.Isabella wants nothing more than to learn all about domination and submission. But to learn and earn the trust of dominant Cam, she has to let go. She has to let her guard down and show him her real self. If only it would be that easy, when Brent comes back into her life. Still angry about her inheriting everything and him being left with nothing. And he blackmails her into giving him what he wants. On top of it, he wants to keep Isabella for his ugly self.Can Cam save Isabella once again? Will he be able to find out her darkest secret, whatever that is? Can he help her and live with that?The story is stilling going strong. The characters are very well thought through and strong with flaws. The BDSM scenes are clean written and hot.
