Von Cassie Edwards : Wild Thunder (The Wild Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Thunder (The Wild Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

TerribleVon Ein KundeI know that all romance books have the same theme. Love conquers all. All Indian romance books has the same themes. Either the man has kidnapped a woman and she comes to love him or the man and the woman somehow go on a journey, and they come to love each other. We already know this before we even read the book. Some authors are better at wiring this same old storyline that makes it seem fresh and new than others. Cassie Edwards is not one of these writers. Everytime I read her books I get the same story over and over again. They fall in love at first sight, minor conflict that is resolved in the next 10 pages. Another thing, Cassie Edwards needs to research Indian culture instead of romanticizing it. A chief did not have absolute authority over any Indian. Indian chiefdom was not a hereditary institution. She never writes about Indian and white conflicts. It is a fact of history that Indians did fight, they just didn't plow the fields, dance, and make love to white women. Everytime I read this garbage I cringe, because she is giving the wrong information to people who have little or no knowledge on Indian culture. All her heroes are Indian chiefs who are in love at first sight with a white woman. Then she'll write no one wants to oppose their chief. I cringe at that, like I said, no chief's control was absolute. The people had the power to do what they wanted. Cassie Edwards for the sake of your fans, please do accurate research on Native Americans.0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Wonderful BookVon Ein KundeAs with the Savage Series the Wild Series is wonderful - this book makes you feel as if you're in the arms of a Powerful Native American - It is exciting, full of adventure, romance intrigue. Another must for Native American Romance Novel Readers. Cassie Edwards is a fantastic writer. You can easily get hooked on her books!0 von 0 Kunden fanden die folgende Rezension hilfreich. Very Romantic StoryVon Ein KundeI have probably read at least 40 of Cassie Edwards books and yet never tire of them. In this story I was caught off guard with the characters. They were a wonderful match. The story had a great flow and as always I am amazed at the amount of time and research that Cassie puts into her stories. Another Great Book for her.

Kurzbeschreibung "A shining talent!" --RT Book sNew York Times and USA Today bestselling author Cassie Edwards tells a sweeping tale of fateful love, forbidden, yet undeniable. . . Hannah Kody came to her brother's ranch in the Kansas Territory to be his eyes, as his sight was failing fast. Yet his misfortune couldn't dim the joy she found in the wide vistas of the Western plains. And the excitement she found in the presence of Strong Wolf. The future chief of the Pawatomis stood tall and proud, and Hannah dreamed she had traveled there to meet him. . . But for Strong Wolf, Hannah was supposed to be the enemy, allied not only to the settlers he distrusted, but to the brutal foreman of her brother's ranch. He felt only sorrow could come of their attraction, until the day Hannah rode to his lodge, fell into his arms, and launched a journey neither had the desire to deny....deRebellious Hannah Kody can't believe her good fortune -- sent to the Kansas Territory to help her ailing brother, she'll be able to train her beloved horses to her heart's content. But soon Hannah is caught up in the struggles between the Pawatomis and the white settlers -- and in the arms of White Wolf, the handsome warrior who can't seem to leave her alone.PressestimmenPraise for Cassie Edwards "A sensitive storyteller who always touches readers' hearts." --RT Book s "Cassie Edwards captivates with white hot adventure and romance." --Karen Harper "Edwards moves readers with love and compassion." --Bell, Book Candle
