Von Patricia Ryan, P.B. Ryan : Wild Wind (Lords of Conquest) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Wind (Lords of Conquest) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gritty and hard to put down medieval romanceVon Barks Book NonsenseYoung and innocent Alexandre de Perigueux falls in love with Nicolette de St. Clair but she breaks his heart by marrying his cousin, Milo, and he has vowed never to let

his heart become trampled upon again. It's now nine years later and Alex has grown into a fearless Knight who is bound by honor, who is respected for keeping an oath and who refuses to settle down. It's all of these qualities that prompt his cousin Milo into making an unsavory offer to Alex. Good old cousin Milo is about to lose his home because he has failed to impregnate Nicki, whose Uncle placed a clause in the will that her first son was to inherit the castle and if there was no child after ten years of marriage the castle would revert to the church. Milo is a drunken louse who is impotent. So he wants Alex to seduce, impregnate and then leave Nicolette forevermore so that he can claim the child as his own and happily drink the rest of his life away. Alex initially refuses but eventually gives in because he still cares for Nicki and when Milo tells him he will let another man, a man Alex knows is evil, drug her and "do the deed" he is left with no other choice. I honestly wasn't sure how I was going to react to this book because of the adultery plot. Usually adultery in any way, shape or form leaves a sick feeling in the pit of my stomach and I end up detesting the couple. It takes a skilled author, one who knows her characters inside and out - and who has the talent to let her readers see into the souls of those characters - to make me love, respect and ache for two people caught in this kind of sticky, seemingly impossible situation. And Patricia Ryan is just that kind of author. Alex and Nicki aren't vain, selfish people and they don't want to hurt anyone, they're soul mates who because of a set of misunderstandings and the inexperience and immaturity of youth were torn apart. Their rediscovery of love is beautifully portrayed and my eyes went bleary more than once. And it helped that Milo, pitiful excuse for a human being that he was, wasn't adverse to the union between Alex and his wife, especially when he realized he'd gotten in the way of their true love nine years earlier. If you've read SECRET THUNDER and were dying for light-hearted, funny and carefree Alex's story you might be a little surprised to find that he's very serious throughout WW because of the circumstances he's thrown into the middle of but he's just as sexy. This book isn't always pleasant but it paints a vivid picture of life in historical times, smelliness and all, and there is a villain who can only be described as disgusting! The conflict, although painful and heart-rending, makes for some super sensual tension and allows the love story to grow slowly. So if you've decided against reading this book because of the adultery theme I beg you to reconsider. This one is done with care and class and isn't filled with silly plot devices thrown in just to keep the couple apart. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great book - if you like this genre Von Ein Kunde I have always liked Patricia Ryan's writing style and this book is no exception. It has been a while since I have read this story, but it sticks on my mind as a great read. The storyline adds a twist on the usual "impossible" love theme. Wrestling with one's conscience is never an easy thing, and neither is trying to use justification to ease one's guilt. This story shows that struggle, with the reader on the sideline cheering for true love. 0 von 0 Kunden fanden die folgende Rezension hilfreich. CAPTIVATING! Von Ein Kunde I adored this book! It was the first I have read of Ms. Ryan's and it certainly will not be the last. I am already searching for the other 3 medievals she has out there. I loved Alex and once again I think the different than usual story line makes this book shine. I can't wait for the next one.

Kurzbeschreibung Alex was left deeply scarred when his beloved Nicolette married his cousin Milo solely in order to bear the son who would fulfill the terms of her inheritance. Now, nine years later, Nicolette is still childless and Milo debilitated by wine sickness. Explaining that he and Nicolette will be homeless and destitute if she doesn't produce an heir within fifteen months, Milo begs Alex to seduce his wife, sire a child, then disappear. It is an indecent but irresistible proposal, sweeping Alex and Nicolette into a firestorm of forbidden desire. Originally published by NALA Waldenbooks Star Pick. Nominated by Romantic Times magazine for Best Medieval Historical Romance. This is a powerful, absorbing story readers will cherish. Ms. Ryan earns a place of honor on medieval romance readers shelves with this masterful tale that brings an era, a people and a brilliant love story to life. Fans of Anita Mills, Denise Domning, Roberta Gellis and Sharon Kay Penman, rejoice, here's another star! Romantic Times Wild Wind sweeps the reader into the past and holds her there, entangled in lost innocence and forbidden desires, in everlasting love that a man has vowed to deny. It's wonderful. Don't miss it! Jo Beverley A definite must read for fans of medieval romance! Few authors can bring the past to life as vividly as Patricia Ryan. Wild Wind is a wildly romantic love story from an incredibly gifted author! Patricia Ryan's writing sparkles! The Literary Times Explosive and spellbinding. Ms. Ryan once more deftly develops unique and unusual plot elements in this finely crafted tale of bittersweet love... This poignant and thought-provoking medieval is remarkable and unforgettable. The Old Book Barn Gazette This is one of the most finely crafted medievals of recent years. Wild Wind was a blockbuster from the first page. I quite literally could not put this book down, and was very surprised by the ending. Romance Communications Compelling and romantic, gritty and realistic... Wild Wind may be the first Patricia Ryan book I've read, but it won't be the last. The Romance Reader Last year, when I finished Patricia Ryan's medieval Secret Thunder, I ran out to all of my local used book stores to track down her back list, only to be told time and again that her books are loved so much they are never returned! After my experience with Secret Thunder, and now her newest, Wild Wind, I can certainly understand why. She writes powerful, gritty, emotional books that are hard to put down and she consistently delivers a strong romance between likable characters. Under the Covers Ryan has written a sensual, emotionally involving, and compelling story

of forbidden love that readers will not soon forget. Library Journal
